

This Is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.

The result is weakness, headaches, dizziness, constipation, irritable liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, pale complexion, pimples, skin diseases, and often times serious illness.

Ordinary laxatives, purges and cathartics—sala, oil, calomel and the like—may relieve for a few hours, but their harmful effects can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a 50c box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit.

When you get straitened out and feel just right again you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best.

Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

Market Review For Past Week North Portland, Or., July 10.—Cattle trading was mostly on holdovers and drive-ins, although there were some fresh arrivals.

Hogs were strong, but no stronger than Monday. Top was \$20.60 to packers, with \$20.50 the bulk.

Sheep did not move readily. Thirteen-fifty took the best lambs—but it was mostly a 413 day.

Cows the stomach, washes out the bowels, drives out impurities, helps the liver—it's Hollister's Rocky Mountain Tea. Take it once a week during hot weather and see how happy and contented you'll be.

Sacramento, Cal., July 9.—Lieutenant J. M. Petters, flying with Sergeant Kessell as a passenger, made the trip from Pendleton, Or., to Mather Field, Sacramento, in one day, on the last leg of an aerial trip from Yellowstone Park.

They arrived here at 10 o'clock last night, after 11 1/2 hours flying time from Portland. Mount Shasta was passed at an altitude of 15,000 feet.

What a pity she doesn't know that Resinol Soap would clear her skin. "She would be a pretty girl, if it wasn't for that pimply, blotchy complexion!" But the regular use of Resinol Soap aided at first by a little Resinol Ointment, would probably make it clear, fresh and charming. If a poor skin is your handicap, begin using Resinol Soap and see how quickly it improves. Resinol Soap and Resinol Ointment are sold by all druggists. For free sample of each, write to Dept.
