## Christian Convention Elects New Officers

Turner, Or., July 11.—The business session of the convention of Oregon Christian churches was held here Tuesday. Rev. C. H. Hilton of Roseburg presided. The following men were named for officers to serve during the coming year: President, Rev. E. V. Hilyard, pastor First Christian church, Eugene; vice-presidents, Walter L. Myers, instructor in psychology and religious education in Eugene Bible university, Eugene; Rev. Island W. Porter, pastor First Christian church, Salem; Rev. C. H. Hilton, Roseburg; Rev. H. E. Rossell, The Dalles; recording secretary, Rev. Ralph L. Putnam, pastor Bungalow church, Salem; treasurer, Rev. J. A. Bennett, Silverton.

Rev. Clarence F. Swander of Portland was reappointed by the new board to serve as corresponding secretary and superintendent of missions, this being his eleventh year of service in this of-

fice. Mrs. Clara G. Esson of Forest Grove was reappointed state Bible school superintendent. Mrs. Esson has served in this capacity 11 years.

**Year's Work Sets New Record.**  
The report of the year's work of the church in Oregon as presented by Rev. Mr. Swander, was said to be the best ever recorded, and this was specifically mentioned in the report of the resolutions committee. Two other resolutions follow:

"Resolved, That we look with favor upon any movement for the union of God's people and the answer of our saviour's prayer that is consistent with the divine authority as plainly revealed in the gospel of his grace, and that we pledge ourselves anew to the great plan for the restoration of the church of the New Testament, and that in the days of unrest we plead more earnestly for the basic conditions of membership in his church as faith in the Lord Jesus Christ, confession of that name before men, repentance from the heart of all sin, and baptism into the name of the father, son and holy spirit, followed by a holy life, and that we renounce our blood-bought liberty in Christ to go anywhere and everywhere without hindrance to proclaim the gospel of his love.

"That we recommend to all our churches the adoption of the budget plan for church finance, including local expenses and missionary offerings with the every member canvass as the most scriptural and effective method of raising the budget. That we also request our missionary and benevolent agencies to continue the plan of jointly supporting the state work."

The resolutions were unanimously adopted.

**Future Work Outlined.**  
The future work committee recommended that each church plan a campaign of missionary education; that the church school of missions as presented by Mrs. Royce J. Dye, be indorsed; that the Christian church of Oregon endeavor to secure 10,000 others within the next five years; that the every-member-canvass as presented by the men and millions team be indorsed and advocated its adoption by every church in the state; that the aim of \$5 per member for missions, benevolences and education be adopted, and that each church make an effort to place the

church missionary paper, the World Call, and at least one other of the standard religious papers of the church in each home of the congregation during the year.

The speakers at the morning session were Chancellor Aylsworth, Rev. Cleveland Kleihauer, Rev. W. F. Turner.

## CONTROL OF PICKERS

(Continued from page one)

85.1; sheep, 78.1; calves, 78.8; swine, 74.4; horses and mules, 84.6; total of all animals, 77.2.

Their average monthly holdings of non-perishable meats as compared with the country's total supply were: Frozen beef, 95 per cent; smoked ham and bacon, 64 per cent; dry salt pork, 69.5 per cent; pickled pork, 70.5 per cent.

The pickers handle half the poultry eggs and shoes of the country. In 1916 they sold 90,000,000 pounds of butter; 75,000,000 pounds of cheese, over 135,000,000 dozen eggs and 1,000,000 pounds of poultry.

**1120 Branch Houses.**  
The "big five" own 90 per cent of all the refrigerator cars in the country. From two branch houses in 1884 they now have 1120 branch houses. They control 54.7 per cent of frozen and chilled beef exports from Argentina and Uruguay.

Other commodities the commission packages pickers are gaining control of are breakfast foods, chicken feed, stock feed, fruit, canned vegetables, coal fence posts, builders' hardware, blading, twice, lumber, cement, lime, plaster brick, grave roofing, soda fountain supplies and rice.

**Shippers Also.**  
"J. Ogden Armour," the report said "besides being a great financial power, is also a prominent factor in the American International corporation with its shipping and shipbuilding interests, its import and export companies; its interest in a company organized to develop cattle raising and meat packing in South America, its control of a large tea importing company and a sugar machinery corporation, and its minority stock in the United Fruit company."

The report also pointed out that Armour Grain company has 25 per cent of the elevator capacity of Chicago and Kansas City, two of the largest grain markets, and operated over 90 country elevators.

## YOUNG DAUGHTER PASSES AWAY

Little Miss Emily Edwards, aged 1 year and 7 months, passed away last Friday night at the home of Mr. and Mrs. Arthur Edwards west of Turner. Funeral services were held at Salem Sunday conducted by the Rev. Thomas Anderson; burial in City View cemetery. The sympathies of the community are extended to the bereaved parents. —Turner Tribune.
