

Don't Experiment with Catarrh; It Often Leads to Dread Consumption

You Will Never Be Cured With Sprays and Douches.

Catarrh is a condition of the blood and can not be cured by local applications of sprays and douches; this has been proven by the thousands who have vainly resorted to this method of treatment.

Catarrh should not be neglected or experimented with. The wrong treatment is valuable time lost, during which the disease is getting a firmer hold upon its victim, and making it more difficult for even the proper treatment to accomplish results.

Though Catarrh makes its first appearance in the nostrils, throat and air passages, the disease becomes more

and more aggravated and finally reaches down into the lungs, and everyone recognizes the alarming condition that results when the lungs are affected. Thus Catarrh may be the forerunner of that most dreaded and hopeless of all diseases, consumption. No local treatment affords permanent relief. Experience has taught that S. S. S. is the one remedy which attacks the disease at its source, the blood, and produces satisfactory results in even the worst cases. Catarrh sufferers are urged to give S. S. S. a thorough trial. It is sold by all druggists. You are invited to write to the Medical Department for expert advice as to how to treat your own case. Address Swift Specific Co., 254 Swift Laboratory, Atlanta, Ga.

PRESIDENT DENIES HE IS RESPONSIBLE FOR CLAUSE ON SHANTUNG

Washington, July 25.—President Wilson today issued a statement denying that he was responsible for the Shantung settlement, as reported in printed dispatches.

The statement follows: "The president authorizes the announcement that the statement carried in several of the papers this morn-

ing that he originated or formulated the provisions with regard to Shantung in the treaty of peace with Germany is altogether false.

"He exerted all the influence he was at liberty to exercise in the circumstances to obtain a modification of them and believes that the ultimate action of Japan with regard to Shantung will put the whole matter in its true light."

A statement from the white house explaining the administration's attitude on the Shantung settlement has been expected ever since it came under attack in the senate.

GIANTS STIFFEN LINE FOR PENNANT RACE

Addition Of Star Twirler Through Trade Nearly Clinches Lead.

By H. C. Hamilton

(United Press staff correspondent) New York, July 25.—The National League has made another contribution to John McGraw's struggle to win a pennant.

Yesterday Phil Douglas, one of the best pitchers in the league, was traded to the Giants by the Cubs, who took in return Dave Robertson, outfielder. Recently Branch Rickey traded Frank Snyder, one of the best catchers in baseball for Fred Schupp, a useless pitcher.

Robertson will fill a hole in the Cubs outfield very nicely, but Fred Mitchell neglected to state what he expects to do to plug the hole made through the loss of Douglas.

The deal should practically clinch the pennant for the Giants. The weak spot on the New York club has been its pitching staff. Benton and Barnes have worried along with Robertson, the entire burden on their shoulders.

The transfer of Robertson weakens the Giants not a whit, for he has not played ball for a year, declining to report to New York.

Douglas has been a wanderer since he first entered the National league. First with Brooklyn, he was traded to Chicago several years ago and then spent a term in the minors before returning to stardom. His refusal to keep in condition was his main trouble and he seems to have overcome that.

Douglas County Growers Kept Own Organization

Roseburg, Or., July 25.—Douglas county prune growers, at a meeting held here yesterday, voted to hold aloof from the Oregon Growers' association, recently organized as a state-wide concern, and to continue their county association. It was stated that the Douglas county prune growers have no particular opposition to the state-wide association, but believe that it would be best to give the question deeper study and watch development before abandoning their present plans.

Consensus of opinion was that the prune acreage in this county is sufficiently large to guarantee, through pooling of interests of growers here, to secure top price for prunes, and also that the business is big enough to warrant the erection of a packing plant by members of the association.

As soon as the present crop is harvested the prune growers are to perfect their independent organization and proceed with plans for future business.

* ROUND COAST *
* LEAGUE BASES *

(By United Press.) Yesterday's winners: Oakland 2, San Francisco 0; Vernon, Los Angeles.

Home runs: Schickel, Seals; Bahne, Lane, Ouka; Maggart, Shelly, Beas. The Beavers had to be satisfied with four hits off Jim Scott, the Seals winning 7 to 2.

The Oaks two games from the Rees. The first was captured six to two, the second 11 to 8.

Arbuckle's gang gathered in their third straight from the Rainiers, 10 to 4.

The Angels finally stopped the Senators by steady pitching from Curley Brown 3 to 2.

FREE FORMULA OR FRECKLES

If you freckle easily, this is the season to prevent their appearance or remove these unsightly defects. Here is a good old-fashioned formula which does the work.

Dorwillo, 2 oz. Oatmeal, 2 tablespoonfuls. Use as directed in every package of Dorwillo.

This formula can be used freely, as it is absolutely harmless and will not stimulate or produce a growth of hair. Mix it at home then you know you have the genuine article. Do not accept a substitute as there is nothing better, just as good or just like it. Try it today and you will be delightfully surprised. Your freckles and tan will disappear as if by magic. The first application will astonish you. This splendid formula not only prevents and removes freckles and tan, but beautifies as well and brings to any skin that raw white velvety softness so much desired by everyone. No other freckle remedy does this. It is also splendid for dark, sallow skin, roughness, pimples, blackheads, sun spots, wrinkles, chapped skin, and puts the bloom of youth on your cheeks which will cause admiration everywhere. You will look many years younger and have a skin everyone "just loves to touch."

NOTE—When asked about Dorwillo one of our leading druggists said: "Dorwillo is surely a wonderful aid in removing freckles and tan. It is away ahead of anything we have ever sold before, and we are authorized to refund the money to every dissatisfied purchaser. We would not permit the use of our name unless the article possessed unusual merit." It is sold in this city under a positive money refund guarantee by all department stores and druggists including the Fry and the Perry drug stores.

FLYERS CUT CAPERS

(Continued from page one)

The plane in which the aviator was riding, took an up-side down dive of a few thousand feet, lighting itself and dropping to Orestes field so gently as to land.

The army aviators who were due early yesterday afternoon, did not arrive until after 6 o'clock last evening, due to unfavorable flying conditions and especially low clouds. And for the same reason, the trip to Portland was delayed several hours this afternoon.

The governor was not the only state official who was favored with airplane riding this morning, as Dr. R. B. Les Steiner, warden of the state penitentiary was given a breath of fresh air from above. And so was former state treasurer Tom R. Kay. Mr. Kay however, was second in his family to take a sky ride, as Mrs. Kay experienced the thrills of airplane riding last evening with Elmer Cook, the aviator for the airplane owned by a local company.

Among others who now have had the thrills of airplane riding are Mrs. P. E. Fullerton, Mrs. W. A. Pettit, L. E. Eastman of Silverton, Julian Burroughs, Henry Harris and P. E. Fullerton.

Aviator Elmer Cook has proved himself a most satisfactory pilot and hereafter he will be placed in charge of the plane owned by the local company. He is a former Salem high school student and lives with his sister in Polk county. He was on the front flying line when the armistice was signed last November, flying one of the swift Spads.

"MORE GOOD THAN ALL OF THE REST"

This Is What Farmer Says Of Tanlac—Gains 15 Pounds Had Suffered 25 Years.

"You may know that Tanlac is doing me a lot of good or I wouldn't have come nearly twenty miles to get these three bottles I am buying now," said Samuel Bacon, a well known and prosperous farmer who lives at Boring, Oregon, while in the Owl drug store in Portland the other day.

"I have been trying for twenty five long years to find a medicine or treatment that would overcome my troubles," he continued, "and Tanlac is the only thing that has ever done me any good at all. During all these years I suffered terribly from rheumatism in my back, and there were times when I was in such bad condition that I couldn't turn over in bed, and after sitting down for a little while I could hardly get up again. My kidneys bothered me a great deal, too, and I would often have to get up four or five times during the night, and the pains in my back were so severe that I rarely ever got any sleep. My appetite was very poor, and what little I did force myself to eat would give me indigestion in the worst way. I lost a lot in weight and finally got so weak and ran down that I could hardly walk or stand on my feet.

Then I heard about Tanlac through my daughter who had been greatly benefited by taking it. In fact, she was so pleased with Tanlac that she bought me a bottle of it and told me that she thought it was the very thing I needed. Well, sir, I began to feel stronger and better in every way before I had finished that first bottle. I have taken three bottles so far, and I eat so much that I actually get ashamed of myself sometimes. What I eat agrees with me, too, and I never have a sign of indigestion now. I have gained fifteen pounds in weight, and feel like a different man altogether. The pains have left my back, and my kidneys seem to be in first class condition, and I never have to get up during the night any more. I am also free from rheumatism and in fact, I feel better in every way than I have for many years. I tell you, this Tanlac is a good medicine, and has done me more good than all the rest of the medicine put together I have taken during the last twenty five years, and I think that I'm saying a good deal."

Tanlac is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Good, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lynn H. Shorey, in Silverton by O. A. Steelhammer, in Gates by M. J. P. McCurdy, in Stayton by C. A. Beachamp, in Aurora by Aurora Drug Store, in St. Paul by Groeteria Store Co., in Donald by M. W. Johnson, in Jefferson by Poshay & Macon, and in Mill City by Marketoria Gro. Co.

Get Together Luncheon Of Livestock Growers

A get-together luncheon of the Marion county livestock growers in the interest of the Portland Livestock exposition, will be held at the Marion hotel tomorrow noon.

Among the guests will be Ovid Pickard, owner of "Vive La France"; Senator D. H. Looney of Independence, one of the oldest breeders in Oregon; Frank Doefler of Silverton, who paid \$5100 for a young Jersey cow at the recent Carey sale and who has a fine Jersey herd; W. P. Emery, pioneer Hereford breeder of Macleay; the McKinney brothers of Turner, also Hereford breeders; R. A. Hoover of Gervais, one of the leading swine breeders of the state; Frank Brown of Carlton, famous for his Short-horn herd and president of the Pacific International Livestock exposition; Senator C. L. Hawley and Senator J. L. Patterson, both Polk county breeders; Judge Grant Dimick of Clackamas; E. G. Crawford, vice-president of the United States National bank, Portland, and O. M. Plummer, general manager of the Pacific International.

Didn't Care What Happened

"I became a physical wreck from stomach trouble and was a fit subject only for the operating table or graveyard. Being discouraged, I gave way to drink, which made things worse. I got so I didn't care what happened, and wanted to die. May's Wonderful Remedy has cured me of everything. Am now in fine condition and feel 25 years younger." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry and druggists everywhere.
