Yearly Cost of Educating High School Students \$89

The annual cost per annum of each pupil attending the Salem high school is \$89.87 and when any district in the county without a high school or any county wishes to send pupils to Salem, that district or county pays at the rate of \$89.87 for the school year, in proportion to the number of days attended.

During the school year of 1918-1919, Polk county sent to the Salem high school 26 pupils and for their tuition the county will pay \$1040.

Milheur county had but one pupil in the Salem high school and will pay \$86.91, based on the 134 days attended by this one pupil. Curry county will pay \$83.88 for the 168 days its one pupil attended. Yamhill county has three pupils in the Salem schools part of the time and based on their attendance, it will pay \$47.89.

The cost per day per pupil in the Salem high school is figured at \$4.993 or pretty close to half a dollar. The one pupil attending from Washington county put in only 37 1/2 days and the county will be called upon to pay \$18.72.

From Clackamas county, the Salem district had but one pupil and it cost that county \$88.63. But Clackamas county had a number of pupils attending at Aurora, Marquam, Woodburn and Scotts Mills and the county paid to these high schools for the year 1918-1919, the sum of \$1103.82.

The annual cost of tuition differs with schools. While in the Salem high school the annual cost is \$89.87, at Aurora it is \$82.10, at Silverton \$82.53, at Woodburn \$73.86 and at Scotts Mills \$67.18.

Polk county had one pupil living at Independence who attended the Silverton school and it cost the county \$40, in addition to the 26 pupils who attended at Salem.

Linn county paid the schools of Marion county \$725.42 for sending a few of its pupils to Marion county high schools. To the Salem school there was paid \$73.77, to the Stayton school \$300.06, to the Aumsville school \$58.33 and to the Jefferson high school \$232.66.

Hood River county paid \$60.88 to the Scotts Mills schools for the tuition of one pupil and Benton county \$32.53 to the Salem school for one pupil from Alpine.

The names of the 26 pupils from Polk county who attended the Salem high and for whom the county pays \$1040 in tuition are as follows: Floyd Jones, Airle; Helen Orlene Jones, Airle; Alice M. Wood, West Salem; Emma Ziesch, Parker; Myrtle Pelker, Salem, and the following living on rural routes 1 and 2 out of Salem: Harold Walling, route 1; Gertrude Walzing, route 2; Carl Cecil Bernard, route 2; Marie

Now Is a Good Time To Drive Out Catarrh

The Trouble Is In The Blood.

Summer catarrh, with its nauseous discharge, stuffed up glands, difficult breathing, and summer colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter.

That's why it is so important to treat catarrhs and other blood disorders with S. S. S. during warm weather, and thus free the system

from all impurities.

It is now an established fact that catarrh is in the blood and that lotions and salves do not give relief. The experience of others has proven that S. S. S. strikes at the very root of the trouble and eliminates it. Waste no time in this matter, for it is of the utmost importance. Write to our Medical Advisor about your case. STATE HOUSE NEWS

In a recent letter to the state fair board, Governor Olcott has urged the propriety of setting apart one day of the season in honor of the late Governor Withycombe, pointing to the fact that much of the progress of the state in agricultural and stock lines has been due to the work of the departed official, who in the course of his administration almost made a hobby of these industries. Hence the governor considers it fitting that the state, through the fair, should offer some tribute to his memory. Acting on this suggestion, the fair board has set aside the date of September 22 to be known as "Withycombe Day."

A recent report from the state highway commission shows that up to now a total of 332 miles of highway paving have been placed under construction or are under contract in various parts of the state. Added to this is a total of 146 miles of macadam and 480 miles of grading. Practically every county in the state is represented in the program, and the aggregate amount of all contracts will reach \$15,437,211. The greatest single project is the main line of the Pacific highway, which will call for the expenditure of \$3,887,628. The Columbia highway comes next with \$9,323,628, while the west side Pacific highway will call for \$1,335,957. The Salem-Dallas highway, now under construction, will cost \$320,742.

Several more of the Oregon legislators have indicated their endorsement of the special session of the legislature in letters received recently by Governor Olcott, among them A. S. Hughes and D. H. Looney, of Marion county. Others are Representatives Richard and Rosford and Senator Moser of Multnomah, and Representative Dennis of Yamhill. Mr. Moser, while hearty in his support of the session, is reluctant about pledging himself in advance to confine the session to the one object of woman suffrage, as he is one of the legislators who are in favor of adding a remedial clause to the Roosevelt highway bill.

Strike Of Shop Men Throws 10,000 Others Out Of Work

Chicago, Aug. 4.—(United Press).—Ten thousand steel workers at Gary, Ind., and other plants in the Chicago industrial districts were idle today, the result of the strike of railway shop men. It was predicted every steel furnace in Gary, Joliet and South Chicago will be closed in a week unless the strike is settled. The steel workers were forced to quit because equipment was not available after the shop men quit. Only four blast furnaces were going in the steel city today. Two thousand, five hundred shop men employed by several roads, at a meeting today renewed their pledge not to quit until the issue was settled. More than 150,000 men are on strike throughout the country, reports said, 30,000 of them being in Chicago.

Spit Between Major And Minor Leagues At Climax

New York, Aug. 4.—The split between major and minor league organizations was made definite today when Dave Fultz, president of the new International league, declared there is no chance for a revival of the draft. The National league recently announced it would enter no agreement with the minors until the draft was restored.

Fultz, under a signed statement, declared the majors had violated a verbal agreement made here last winter by not signing a statement approving abrogation of the old National agreement clause prohibiting drafting. It still is understood that territory and player rights will be respected.

Tobacco Habit Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up to date drug store and get some Nicotol tablets; take them as directed and lo; the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the mean time try Nicotol tablets; you will be surprised at the result.—D. J. Fry.

ELKS MAKE ELABORATE

(Continued from page one) the three day session promises to be filled with fun and frolic. A special deluxe train will be operated from Portland to Klamath Falls, leaving Portland at 11 a. m. on August 13th. Many of the lodges throughout the state will take advantage of this special train, with its reduced rates, while many others are planning on motoring to the convention. Reservations on the special train can be made by communicating with William J. McGinn, Elks club, Portland.
