

You Should Never "Rile" Your Liver

Don't prod a weak liver with harsh, harmful calomel. Mild, easy NR Tablets are better for biliousness.

NR Tonight—Tomorrow Feel Right

Prodding an inactive liver with calomel and sluggish bowels with powerful purgatives is like leading a tired horse to exhaustion. It can be done once too often and sooner or later, if persisted in, may so weaken the organs as to cause serious results.

It acts promptly and thoroughly, yet so mildly and gently that there is never the slightest griping or discomfort. The bowel action Nature's Remedy induces is as near like the easy, pleasant, natural action as can be produced by medication.

SOCIETY

By GERTRUDE ROBINSON
A NOTHER tourist party left yesterday for a motor trip through central Oregon. It was composed of Mr. and Mrs. W. T. Bigdon, Miss Leila E. Rigdon and Miss Harriet A. Rigdon.

Miss Lena Sargent, who has been the house guest of her aunt, Mrs. J. B. Ross, for the past week, left today for McMinnville where she will visit with relatives before returning home.

For the past few months much of the more formal entertaining in the local social world has centered about the University of Oregon's woman's building fund, dozens of benefit affairs from dancing parties to lawn fetes having been given for the cause.

The list of patrons and patronesses is being made up and the ticket sale is being arranged. All the proceeds of the lecture, which will be given with a moderate admission charge so that every one may hear it, will go into the building fund of the University of Oregon.

The campaign for the building has progressed so far that half of the required amount has been raised and the contract for the shell of the building was recently let by the regents of the university. The campaign for the remaining fund will be carried on vigorously this fall throughout the state.

Mr. and Mrs. L. F. Rowlen left for Eugene yesterday for a month's vacation. Mrs. C. P. Bishop is in Portland as the house guest of Mrs. Roy Bishop, on her return from Seaside. She is accompanied by her grandson, Charles Kay.

Mrs. Francis Neer, who has been visiting at the home of her parents, Mr. and Mrs. W. E. Wilson, has returned to her home in Oakland, California. She was accompanied by her two children.

Mrs. R. L. Wilkerson has gone to Goshook for a visit with her son. She plans to be gone about a month. Constipation upsets the entire system—causing serious illnesses to the human family. Don't worry—Hollister's Rocky Mountain Tea will drive out constipation, regulate the bowels, tone the stomach, purify, cleanse. Without fail give it a thorough trial. 85c. D. J. Fry.

QUICK TRIP FROM CRATER
A trip by automobile from Crater lake to Eugene in one day is the experience of E. C. Simmons, manager of Vick Bros' garage in this city and president of the Eugene chamber of commerce.

Mr. Simmons, in company with Mrs. Simmons and Mr. and Mrs. Lloyd Hauser, of this city, left the lake at 6 o'clock Monday morning and coming by way of Medford and stopping for two meals, they arrived in Eugene at 10:30 o'clock that night. It usually takes at least two days for the average driver to make the trip and many require three days' time.

The economical way to make pancakes

Everything to make good pancakes is already mixed in Aunt Jemima Pancake Flour—even the sweet milk! Every housewife knows how necessary milk is for really good pancakes. But milk is expensive these days—and it often happens that you are out of it at the last minute when you want to make pancakes. That is why the Aunt Jemima people mix milk, in powdered form, in their pancake flour.

There's nothing for you to do but add water, and beat well—in no time at all the tender pancakes are done. There's no chance of failure—you can count on your cakes being always light, always tender—always "the best you ever tasted." So rich-flavored, so hunger-satisfying that you'd never dream they could be made so inexpensively! Ask your grocer for a package of Aunt Jemima Pancake Flour today. Use it for delicious muffins, too!

Early Peace In Actors Strike Remote; Chicago Legitimate Houses Shut

New York, Aug. 21.—Early peace in the actors strike seemed a remote possibility today following the failure of leading playwrights to effect an understanding between strikers and managers. The Actors Equity association promised not to demand a closed shop, but declared the managers had refused to negotiate even on this basis.

Union stage hands walked out at the Winter Garden last night.

Chicago, Aug. 21.—(United Press).—Legitimate show houses in Chicago were closed tight today and indications pointed to little or no immediate probability of reopening. With the aid of stage hands and musicians, striking actors allowed only one major theater to keep its lights burning last night.

Brighton—Fifty legless soldiers drove in the funeral procession of Col. G. H. Coats, chief of the Pavilion hospital. One hundred one-armed men marched behind and 200 one-legged men lined the path to the grave.

Where Can I Find Relief From Itching, Terrifying Eczema?

Question on Lips Afflicted. There is a harassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only ally the pain temporarily. The disease can only be reached by going deep down to its source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle today, and you will see results from the right treatment. Medical advice free. Address: Medical Director, 48 Swift Bldg., Atlanta, Ga.
