Ethel Clayton "The Sporting Chance"

American Is Winner Of New York-Toronto Airplane Race

New York, Sept. 2.-First honors in the international air race between New York and Toronto, conducted last week, go to a "rent sky pilot"—Lieutenant B.
Maynard, of the American army. In
private life he is a Baptist proacher.
According to the official figures,
Maynard's time for the round trap of
1040 miles was 465½ mloutes. He pilotlies At Home. ed a DeHaviland four, equipped with a Liberty motor, Lieutenant H. H. George

Kesino does wonders for sick skins

That itching, burning skin-trouble which keeps you scratching and digging, is a source of embarrasment, as well as of torment to you. Why don't you get rid of it by using Resinol Ointment? Physicians prescribe it constantly. In most cases, it stops itching instantly and heals emptions promptly. It is very easy and economical to use.

Sold by all druggists. Resince Olute hould usually be a ded by Resince Soap.

The reason for Slim's retraining from pitching when his clab visits Philadelphia is simply this: He is easy for the opposition to touch for long flies.

And long flies in the National league bailiwick in the sleep city are home runs. Some one would be breaking the home roan record if Sallee did much serving.

Occasionally the left handed master has been curving in the National league under the colors of St. Louis, New York and Cincinnati—has he started against the Quakers on their home lot. Quite a record? Sure!

The Giants have been accused by Cincinnatians of attempting to buy a pennant.

What would they say if they were told that Col. Jasob Ruppert and Col. T. I. Huston, owners of the New York and the Iwo colonels, while not tam. They probably would.

And the two colonels, while not tam.

Nevers." I said, "Then you must know fare worker in that area and is now and has been for some months past the reand I wish that all Y. M. C. A. men were gional director of all Y activities.

For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly \$tops itching, and heals skin troubles, also sores, burns, wounds and chaing. It pene-

Watson, Halvorson and my-work was entirely with the French army. When the armistice was signed there Watson was placed in charge of the was a French sergeant who has been irculation department which was then promised his commission. Of course after a state of great confusion. He worked up an efficient system, a system that thing for any French soldier to get a vas adopted by all other welfare orga-cizations, and part of it by the army rectly to one of the leading French gen-tself, and for this service he was high-erals and told him the circumstances commended by army officials. He is concerning the sergeant and in a very ow employed in a bankers office in short time the commission was granted. New York City but is homesick for Sa-lem and the west.

One of the biggest jobs in the Y₄ M.
C. A. service averseas was put across by
Halvorson. The transportation problem soldiers and also that any American

as a most difficult one. We needed at should interest himself in the advance the head of the transportation department of a French sergeant. During his ment a man who could handle other stay in France Professor Walsh was enmen, a man who could be entrusted with gaged in doing little acts of service wast sums of money, a man who was a which finally attracted the attention of good buyer and Halvorson turned out to be just the man to fill the bill. Lefore these services he was given the Croix de leaving France all I had to do to make Guerre.

myself solid with any of the transporta-tion men was to tell them that I was a friend of Halvorson.

For the first seven months of my own in the Toul section and went over the

They probably would.

And the two colonels, while not tampering with any one's ball players, still are hot after a successor to Milbert Huggins, who is believed to have failed with a high class organization, and they lean strongly either to Moran or Wilbert Robinson, both of whom are in the National league.

They probably would.

And the two colonels, while not tambles judgets, this job and he has kept records ever the judgets in the vicinity of this town. It was a Salem man who finally mastered the problem of serving efficiently these hundreds of thousands of men. And O. L. Ferris, formerly with the Phez organization, who said, "I'm the divisional secretary at Novers." I said, "Then you must know fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and fare worker in that area and is now and the contraction of the problem.

There were several other men whose names I cannot now recall who came from the vicinity of Salem and who did good work. This is a great record for a little town the size of Salem to send fifteer men all of them with responsible business and professional obligations and all of them, with one exception, men with families and I wish to comphamen with families and I wish to capha-size the fact that I doubt very much whether any other town in America with the population of Salem has such a rec-ord. Salem, I am sure, is very proud of the splendid record of her soldiera, sail-ars and marines, and is also proud of the record made by the men she seat into the service of the Y. M. C. A.
