

NOW IS A GOOD TIME TO DRIVE OUT CATARRH

It May Not Be Troubling You During The Warm Weather, But Is Still In Your Blood.

Catarrh is not only a disgusting disease but is a dangerous one, and you should never let up in your efforts to get it out of your system until you have done it thoroughly. Get rid of it, whatever it costs you in trouble and money.

There is no use in permitting yourself to be deceived. Perhaps, like thousands of others afflicted with Catarrh, you are about ready to believe that the disease is incurable, and that you are doomed to spend the remainder of your days hawking and spitting, with no relief in sight from inflamed and stopped-up air passages that make the days miserable and the nights sleepless. Of course this all depends upon whether or not you are willing to continue the old-time, make-shift methods of treatment that you and many other sufferers have used for years with no substantial results.

You must realize that the disease itself, and not its symptoms, is what you have to cure. Of course you know that when you are cured of any disease its symptoms will disappear.

Catarrh manifests itself by inflammation of the delicate membranes of the nose and air passages, which choke up and make breathing very difficult. To get rid of these distressing effects you must remove their cause.

Don't be misled into thinking your catarrh is gone. The first touch of winter weather will bring it back with all its discomforts.

The blood is laden with the Catarrh germs, which direct their attack against the tender and delicate membranes of the nose and throat. These germs cannot be reached by sprays or douches, which of course, have no effect whatever upon the blood.

Mild weather will aid the treatment and this is an excellent time to thoroughly cleanse the blood of the germs of Catarrh and be forever rid of the troublesome sprays and douches that can only relieve you for the time.

S. S. S. is a purely vegetable blood remedy, made from roots and herbs direct from the forest, which combat promptly disease germs or impurities in the blood. This great remedy has been used for more than fifty years, with most satisfactory results. It has been successfully used by those afflicted with even the severest cases of catarrh. It relieves catarrh thoroughly, for it treats the disease at its source. S. S. S. is sold by druggists everywhere.

For the benefit of those afflicted with catarrh or other blood diseases, we maintain a medical department in charge of a specialist skilled in these diseases. If you will write us fully, he will give you case careful study, and write you just what your own individual case requires. No charge is made for this service. Address Swift Specific Co., 414 Swift Laboratory, Atlanta, Ga.

CLOVERDALE NOTES.

(Capital Journal Special Service)
Cloverdale, Sept. 3.—Gus Drager and family returned Thursday from Newport where they had spent a few days. He reports that the roads are perfect over that way and that they had a fine trip.

Miss Ross Drager will teach in Sherman county this winter.

Mr. and Mrs. Beckman of Salem visited here with Mr. and Mrs. W. H. Wilson a few days ago.

John Thomas and family motored to Silverton to visit relatives Sunday.

Mr. and Mrs. J. Hamilton spent a few days at Wilhoit Springs last week.

Mrs. F. A. Wood was a Salem visitor Saturday.

Misses Ethel and Violet Craig have gone to Livesleys hop yard to spend the hop picking season.

Mrs. W. J. Hadley's nephew, Howard Scott and wife visited her Sunday afternoon. Mr. Scott has just returned from a trip around the world as first engineer on a ship.

Remove blackheads, soften rough skin, clear the blood, brighten the eyes, sweeten the whole system. Nothing helps make a pretty face, winsome smile, as Hollister's Rocky Mountain Tea. Try it tonight. 35c. D. J. Fry.

SOCIETY

By GERTRUDE ROBINSON

GOVERNOR BEN W. OLCOTT has been made honorary director of the American committee for devastated France, which has completed plans for raising money for the suffering women and children of France. Miss Cornelia Marvin has been placed on the executive committee, on which such prominent women as Mrs. Helen Ladd Corbett, Mrs. George Gerlinger and a host of other important Portland social leaders will serve.

The committee has secured the Alcazar theater, complete company, production and orchestra, and will present "Sari," which is second only to "The Merry Widow," in popularity. Miss Mabel Wilber, Oscar Figman, Henry Coote, George Natanson, Delmar Poppen, Lee Daly, Edward Sedan, Eva Olivetti, May Wallace and others, most of whom appeared in the original company when "Sari" enjoyed such a long run in New York will be in the cast. In addition, an entirely new added feature will be arranged for each evening. These will be given by the debutantes and young men of Portland and are in the nature of a surprise. It is understood that the Florida sextet and solo dance numbers, as well as other features to be announced later will be given between the acts.

The work is thoroughly organized. "Sari" will be given for the week beginning Monday, September 15, with matinees Wednesday and Saturday. Profits will be sent to France to aid the suffering women and children.

Boxes and some of the best seats will be sold at auction.

Planning to be gone for nearly a month, Mr. and Mrs. G. G. Brown left yesterday for Philadelphia where Mr. Brown will represent Oregon at the 34th triennial session of the Grand commandery of the Knights Templars of the United States, to be held in that city September 8th to 12th. They will be joined in Spokane by the Washington delegation. Before returning Mr. and Mrs. Brown will visit in Chicago, New York and Atlantic City.

Mr. and Mrs. Charles J. Koon left Sunday on a trip to the eastern states. They will be gone about a month, returning by way of California where they will spend part of the winter.

TRAINED NURSE GAINS 22 POUNDS

"Tanlac Is A Perfectly Wonderful Medicine" Says Mrs. Josephine Freeman.

Mrs. Josephine Freeman of 647 Towne avenue, Los Angeles, Calif., a graduate nurse who had practiced her profession for seventeen years, recently made the remarkable statement that she has not only been relieved of a case of stomach trouble of ten years standing by the use of Tanlac, but that she had also gained twenty two pounds in weight.

When asked if she would be willing for her experience with Tanlac to be published, Mrs. Freeman said: "Yes, indeed, I feel that I would be doing anyone suffering from stomach trouble and a rundown condition a good turn by getting them to take Tanlac. For ten years I have been having trouble with my stomach. I could not eat anything without suffering intense pains afterwards, and at times I would be so weak with gas and such pains and pressure around my heart that I would almost faint. I became so nervous that I could hardly get any sleep or rest and got so run down and weak that I could scarcely keep up my work as a nurse. I, of course, used all kinds of medicines and did everything possible but could never get more than just a little temporary relief.

"Finally a friend of my husband, who had been relieved of the same trouble by taking Tanlac, advised him to have me try it, and right from the first bottle I began to feel better. My appetite came back, my blood circulation improved wonderfully, and my nerves began to quiet down. I can eat just anything I want now and never have the least pain or trouble afterwards. I sleep soundly every night now. I feel rested and refreshed on getting up in the mornings. When I began taking Tanlac I was weighing only one hundred and thirty pounds and was still losing. But now I tip the scales at one hundred and fifty two, making an actual gain of twenty two pounds on four bottles of Tanlac. I just feel so strong and well now that it is a real pleasure for me to recommend the medicine that helped me so much. Tanlac is a perfectly wonderful medicine and I am glad to give credit where it belongs."

Tanlac is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goech, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Snorever, in Silverton by Geo. Steelhammer, in Gates by Mrs. J. F. McCurdy, in Stayton by C. A. Beauchamp, in Aurora by Aurora Drug Store, in St. Paul by Groetzer's Store Co., in Donald by M. W. Johnson, in Jefferson by Foshav & Mason and in Mill City by Karasteria Gro. Co.

A DISCOVERY THAT BENEFITS MANKIND

Two discoveries have added greatly to human welfare.

In 1855 Newton originated the vacuum process for condensing milk with cane sugar to a semi-liquid form.

In 1883 Horlick at Racine, Wis., discovered how to reduce milk to a dry powder form with extract of malted grains, without cane sugar.

This product **HORLICK** named **Malted Milk**. (Name since copied by others.) Its nutritive value, digestibility and ease of preparation (by simply stirring in water) and the fact that it keeps in any climate, has proved of much value to mankind as an ideal food-drink from infancy to old age.

Ask for "HORLICK" in any imitation.

System in Dentistry Reduces the Cost

By DR. PARKER Founder and Executive Head of the E. R. Parker System

THINGS done by system cost less than things done piecemeal.

The reason you can send a letter across the continent for 2 cents is because of system in the postoffice.

By employing the E. R. Parker System, Registered Dentists do dental work that is good, dependable, satisfactory and moderate in price.

It is a System founded upon every new advancement in the profession and upon the combined skill of several dentists working together.

Prices under the Parker System are based upon the cost of materials and the time consumed in doing the work, to which is added a fair profit.

The prices are often smaller than you expect, because the System plan saves much time, and the saving made is shared with the patient.

Examinations are made without charge. Why not find out what your teeth need and how little the price will be for having the necessary work done?

Dr. Wallace Hylander, Dr. Fred G. Bunch, Dr. Ray J. Greer

Registered Dentists Using the **E. R. PARKER SYSTEM**

303 State St. Salem, Ore.

Do you want a clear skin?

If your skin is not fresh, smooth and glowing, or has suffered from an unwise use of cosmetics, here is an easy, inexpensive way to clear it: Spread on a little Resinol Ointment, letting it remain for ten minutes. Then wash off with and hot water. Finish with a dash of clear, cold water to close the pores. Do this regularly, once a day, and see if it does not quickly soothe and cleanse the pores, lessen the tendency to pimples, and leave the complexion clear, fresh and velvety. Resinol Soap and Resinol Ointment are sold by all druggists.

Resinol Soap

Good tea costs about 1/2 cent a cup. Poor tea costs more—it is weak in tea-flavor; doesn't go so far.

So what's the use of paying the same price for poor tea and good tea? Don't think so much of the cost per pound. Think of good tea—that comes first.

Schilling Tea costs less per cup.

There are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocery everywhere.
