WE WANT HOUSES.
We have sold so many houses lately that our list is getting low. We have not 170 houses for sale like one realty dealer has advertised. We don't want that many at one time. We cannot do our clients justice by trying to find sale for so many houses at one time. A smaller number, well selected, priced right, suits us better. We always examine the property before offering it for sale. If the price is right we can sell it. Come in at once and see us if you have property for sale. JOHN H.
