

Warning to Gas Users!

Due to an unusual consumption of gas, our gas plant cannot supply the demand. It may be necessary in order to maintain service to the majority of our customers, who are wholly dependent upon gas for heating or cooking, to shut off some sections of the city without further notice.

Therefore, if you find your gas shut off, be sure to close the valves of your stove, lamps or other appliances, AND LEAVE THEM CLOSED, until we notify you that the gas has been turned on.

Your failure to observe this warning may cause an explosion in your house when the gas is turned on again.

Portland Railway Light & Power Co.

COMING EVENTS

Sept. 15, Monday—Fall term Willamette university begins.

Sept. 22-27—Oregon state fair.

Sept. 29, Monday—Opening of public schools of Salem.

Oct. 26—Turn time back one hour.

Chamberlain's Cough Remedy

This is not only one of the best and most efficient medicines for coughs, colds, croup and whooping cough, but is also pleasant to take, which is important when a medicine must be given to young children. Chamberlain's Cough Remedy has been in use for many years and has met with much favor wherever its good qualities have become known. Many mothers have given it their unqualified endorsement.

Wm. Scribb, Chillicothe, Mo., writes: "I have raised three children, have always used Chamberlain's Cough Remedy and from ditto to be the best for coughs, colds and croup. It is pleasant to take. Both adults and children like it. My wife and I have always felt safe from croup with it in the house. Chamberlain's Cough Remedy contains no opium or other narcotic."

CALIFORNIAN IS NEW NATIONAL CHAMPION

Johnston Defeats Tilden In Fast Tennis Singles At Forest Hills.

Forest Hills, L. I., Sept. 4.—William M. Johnston of San Francisco today won the national singles championship, defeating William Tilden II of Philadelphia in straight sets, 6-4, 6-4, 6-3.

Johnston exhibited some of the most marvelous tennis ever seen in the historic Forest Hills courts. His speed was amazing and his accuracy throughout uncanny. His court generalship was too much for Tilden, who, in spite of a game struggle, was utterly unable to solve the Californian's game.

Johnston forced the pace from the outset. He rushed to the net at every opportunity and in that strategic position shot placement after placement into unoccupied territory after he had maneuvered Tilden into position.

Johnston proved himself master of almost every stroke known to tennis. He showed an accurate cross court serve that frequently caught Tilden entirely unprepared. His volleying was excellent, while his forehand work, always one of his strongest points, was almost perfect.

Tilden's cannon ball service, which won for him many of his earlier matches in the tournament, did not bother Johnston to any extent.

Pershing's Nomination As General Unanimously Confirmed By Senators

Washington, Sept. 4.—The senate today unanimously confirmed the nomination of John J. Pershing to be a general of the army.

Violating all precedent, the senate, upon request of Senator Fawcett, chairman of the military affairs committee, considered the nomination in open session. Senator Thomas, Colorado, suggested that the senate confirm General Pershing by a rising vote and amid the applause of the galleries this was done.

The senate also passed a resolution offered by Senator McCumber, North Dakota, declaring Tuesday, September 16 a legal holiday in the District of Columbia so that banks may close on that day, when Pershing will return to the capital.

Oakland And Berkeley Shaken By Earthquake

Oakland, Cal., Sept. 4.—(United Press.)—Oakland was shaken this afternoon at 1:15 by a distinct earthquake.

The quake was felt heavily throughout the business district.

It was also felt at the University of California in Berkeley.

Ban Johnson Admits He Owns \$58,500 In Stock Of Cleveland Ball Club

New York, Sept. 4.—Ban Johnson, president of the American league, testified in court this afternoon that he owns \$58,500 worth of stock in the Cleveland club of that organization.

Johnson said that in 1916, when the club was taken over by the present owners, its bonded indebtedness was \$100,000. This has since been reduced to \$60,000, he said, although it still owes the league an additional \$22,000.

According to Johnson, he personally advanced the club \$100,000 in March, 1916. Later \$50,000 was taken up by James C. Dunn, president of the club.

He was given stock as collateral for the remainder and in November, 1918, bought \$85,000 additional. Johnson said he had never received any dividends from the stock.

Johnson was in court at the instigation of the owners of the New York club to testify regarding his action in suspending pitcher Carl Mays recently and as to his connection with the Cleveland club.

For a Weak Stomach

The greatest relief afforded by Chamberlain's Tablets in a multitude of cases has fully proven the great value of this preparation for a weak stomach and impaired digestion. In many cases this relief has become permanent and the sufferers have been completely restored to health.

Bulgaria And Rumania Not To Accept Treaty, Report

Paris, Sept. 4.—Peace delegates of both Serbia and Rumania announced today that their countries probably would refuse to ratify the peace treaty on account of the character of the guarantees which it gives to racial minorities. These countries contend the peace settlement impairs their interests in the Balkans.

TODAY'S BASEBALL SCORE

Pittsburgh	3 12 1
Chicago	4 10 0
Martin and Daly; Adams and Schmidt. (10 innings.)	
No other game scheduled.	

HOP PICKING STARTS

(Capital Journal Special Service.)

Dallas, Or., Sept. 4.—Picking in some of the hop yards in this county has already started and by the later part of the week it is expected that the picking will be in full blast. The crop in most places is extremely light owing to the red spider pest which has destroyed millions of pounds of choice hops.

Horlick's the Original Malted Milk. Avoid Imitations and Substitutes.

Cleveland Railway Workers Start Fight On Cummins Bill

Cleveland, Ohio, Sept. 4.—(United Press.)—Organized railroad workers here today indicated the fight against the Cummins bill for the regulation and return of the railroads to private ownership.

Timothy Shea, acting president of the Brotherhood of Railway Firemen and Engineers, said he notified the brotherhood's representatives in Washington to announce that the members of his organization were unalterably opposed to the bill.

The Plumb plan was unanimously endorsed by the Cleveland Federation of Labor last night.

REAL ESTATE MARKET ACTIVE DURING WEEK

Both City And Agricultural Property Moving Rapidly Reports Indicate.

W. H. Grabenhorst & Co. report the following sales of real estate closed during the past week:

August Hilfiker, a fruit grower, has purchased a 63-acre tract from John Scheffer two and one-half miles north-east of the state fair grounds on the Silverton road. The consideration was \$9500.

Fred Struts, who recently came to Salem from Le Crosse, Washington, has bought from John Griepantrog, a five-acre improved tract on the Garden road about one mile from the car line. The consideration was \$5500.

F. A. Pace, who recently came to Salem from Washington, has bought a home at 1370 State street, from Sarah B. Ryan. The consideration was \$4000.

Jacob Rise, the shoe and harness man of North Commercial street, bought a home at 900 Center street, from E. J. Canatsey. The consideration was \$3500.

Lewis Probst, who is with the Salem The & Mercantile company, is now the owner of a five-room home in Englewood, purchased from Jolie McBroom. The consideration was \$1050.

Frank Calaba, for a consideration of \$1500, has bought from E. Carey, a ten-acre unimproved tract, three miles south of Salem on Jefferson way. He expects to set the tract out in loganberries and strawberries.

Fred Wieman, who recently came to Salem from Broken Bow, Neb., has bought an improved home on Capital and Market streets from George E. Waters. The consideration was \$3750.

CITY GAS SUPPLY IS NEARLY EXHAUSTED

Fuel Supply Of Many Local Homes To Be Cut Off To Conserve Reserve.

Due to the extensive canning of peaches, pears and tomatoes by the good housekeepers of Salem, the gas plant finds that gas is being used faster than it can be manufactured. As a result the supply of gas is running short in the storage tanks and another result is that a number of housekeepers will find their supply of gas cut off this evening.

This cutting off of gas supplies will apply at once to those who have other means of cooking or heating. Many houses and business institutions are dependent wholly upon gas for cooking and manufacturing purposes. For this reason, those who have other sources for cooking will find themselves the first to be shut off.

In addition to shutting off gas, the gas company is calling upon all large consumers depending wholly upon gas, urging them to reduce their consumption as much as possible. By this means, it is hoped that those entirely depending upon gas, will receive a supply.

Two generators at the gas plant are being crowded to their utmost capacity. A third has been ordered, but due to delayed railroad conditions in the east and strikes, it has not arrived. As soon as this third generator is received, the company will be in position to supply gas for all users.

It is anticipated that this temporary shortage will continue four or five days, after which the company hopes to turn on gas for all users.

There is a possibility that one or more sections of the city may be shut off. If this should happen, the gas company issues the warning that if any one attempts to light the gas and finds that it has been shut off, it is absolutely necessary to turn off the valves of the stove or other appliances, and to be sure and leave them closed until notified by the gas company that service has been renewed.

There is great danger if this is not done, as the supply of gas might be turned on and with all valves open, the house soon becomes filled with gas likely to result in an explosion and disastrous results.

Rural Mail Carriers Hold Convention

Independence, Or., Sept. 3.—The 17th annual convention of the Oregon Rural Mail Carriers' association was called to order by President A. O. Sturm of Lebanon, Monday. The morning session was devoted to appointing committees and general discussion. At 12:45 the delegates marched to the First Methodist church, where lunch was provided by the business men of Independence and Monmouth.

At 2 p. m. Archie Parker, postmaster of Monmouth, presented an invitation to President Ackermann of the Monmouth normal school to visit the campus and go through the normal school, but on account of the short time the carriers had for business, they could not accept the invitation.

The rural carriers voted to fix the capital stock of their co-operative buying association at \$5000, to be paid in by January 1, 1920. The place of business will be under a manager appointed by the executive board of the state association.

Election of officers resulted as follows:

A. O. Sturm, Lebanon, president; M. B. Grant, Dallas, first vice-president; Ed Wunder, Independence, second vice-president; E. B. Connett, Albany, member executive committee; W. H. Boyd, Beaverton, secretary-treasurer; and national delegate to the Minneapolis convention September 21.

With the salary adjusting commission appointed by the United States senate Mr. Boyd will be in Dayton, O., September 23 to 27 to attend the national convention of rural carriers. Mr. Boyd is one of the most popular carriers in the state and has been in the service 15 years.

The next state convention will be held at Corvallis on Labor day, 1920.

IN THE COUNTY COURT of the State of Oregon for the County of Marion

In the matter of the estate of Samuel R. Baldwin, deceased. Notice to creditors.

The undersigned having been duly appointed by the county court of the state of Oregon for Marion county, administratrix of the estate of Samuel R.
