### Watch the Little Pimples; They are Nature's Warning

Unsightly and Disfiguring Signals of Bad Blood.  
Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, and other skin disorders that burn like flames of fire. They mean that your blood needs S. S. S. to purify it and cleanse it of these impure accumulations that

can cause unlimited trouble. This remedy is the greatest vegetable blood purifier known, and contains no minerals or chemicals to injure the most delicate skin. Go to your drug store, and get a bottle of S. S. S. today, get rid of those unsightly, disfiguring pimples, and other skin irritations. It will cleanse your blood thoroughly. The - orland and Southeastern railroad continues to file for record in the office of the county recorder deeds for rights of way, giving the railroad a strip of land 80 feet wide. All deeds contained in the printed form of deed the provision that the railroad must be constructed and in operation by January 1, 1922. Deeds of right of way to the road were given by A. P. Kirtz, L. Arthur, E. B. Crabtree, E. C. Sinceral, J. J. Niebert, J. B. Pegree, A. Lindbeck, C. C. Wenger and George Keech. Where there is timber on the proposed right of way, the grantors reserve the privilege of removing it. Others require the construction of crossings or under road crossings. J. J. Niebert in his deed agrees to remove a building that stands on the proposed right of way. The right of way secured in these deeds is just south of Silverton.

Revenue stamps amounting to \$21 were placed on a deed filed with the county recorder Saturday. The grantors were William Cornish and wife and the grantees Myles Kintz and Dan J. Kintz. The tract sold is one of 305 acres, being the donation land claim of William C. Miller in townships 8 and 9 south of range 1 east. The consideration was \$21,000 and conveys the land deeded July 28, 1875 by H. E. Schmidt and wife. The tract is about two miles east of Silverton.

### Shortage of Freight Cars Hits Shippers of Valley

It becomes more and more apparent that there is going to be a serious shortage of freight cars for the Willamette valley tonnage of fruit and grain.

A bulletin received today by the public service commission from the railroad administration states that box car loading is increasing at the rate of from 2000 to 5000 a day, and that the scarcity of cars is due largely to the fact that shippers are not loading to capacity. It is estimated that in the past 7 months there have been 700,000 more car shipments than during the same period last year on account of this, and it is suggested that a campaign be opened throughout the state to induce shippers to be more considerate in this respect, since there is no regulation covering the point.

In the meantime telegrams are coming in to the commission's office complaining of heavy losses, especially among stock shippers, because of the
