

# ELKS OF SALEM TO DEMOBILIZE SERVICE FLAG

Demobilization of the Salem Elks' service flag and a program of addresses and music will be presented by Salem Lodge No. 336, B. P. O. E., Thursday evening at 8 o'clock in the coliseum of the state fair grounds.

The entire program is in charge of John W. Todd as chairman, with Dan F. Laugenberg musical director, C. J. Kurth leader of orchestra and Mrs. W. J. Burghardt, Jr., piano accompanist.

Of special interest in this program, not only to Elks but to all, due to the fact that reference will be made to the two members of the lodge who lost their lives in the great war, and to the calling of the names of the 94 Elks who were in the service.

The two members who lost their lives are William L. Miller and A. F. Howe. Dr. Miller became a member of the Salem lodge February 12, 1911, enlisting in the service from Saginaw, Michigan. He died May 28, 1918.

Mr. Howe was initiated into the Salem lodge December 4, 1913, and died January 20, 1919. He enlisted in the Canadian service and was one of the first Salem men to get overseas.

Following the demobilization of the Elks' service flag Thursday evening, the following program will be offered: Orchestra—"Beautiful Ohio".....Earl Solo.....Mrs. Imogene Hardie Brodie Welcome Home Address.....

Senator Louis Lachmund Chorus—"Mother, Here's Your Boy"..... Mitchell John W. Todd and Elks Chorus.

Roll Call and Demobilization..... Charles R. Archerd, Exalted Ruler Orchestra—"Jacinta".....Tobani Solo—"The Hour of Eleven Taps"..... Dr. W. Carlton Smith.

Dr. W. Carlton Smith. Solo—"The Great Red Dawn".....Sharpe Albert H. Gille and Elks Chorus. Orchestra—"Cavalry Band".....Wyman Eleven per cent of the membership of the Salem Elks lodge went into the service, a record of which members of the lodge are justly proud when it is taken into consideration that at the time war was declared, 75 per cent of the lodge members were over draft age. While all are not yet out of the service, it is estimated that fully three-fourths have returned to their civilian duties.

The following is a complete list of Elks from the Salem lodge who were in the service:

**"Gets-It" Peels Off Corns Painlessly**  
Off They Come Like Banana Skin. 2 Or 3 Drops, That's All  
There's a murderous, painful way to get rid of corns and then there is the peaceful, glorious "peel-it-off" "Gets-It" way. After you have tried "Gets-It" you will say "Never again" to all

other methods. This is because "Gets-It" is the only corn remover on earth that makes corns peel off just like a banana skin. Two or three drops will do the work, without fussing or trouble. You apply it in 2 or 3 seconds. It dries immediately. "Gets-It" does the rest, without bandages, plasters, blood-bringing knives or razors. Get rid of that corn-pain at once, so that you can work and play without corn torture. Be sure to use "Gets-It". It never fails.

"Gets-It", the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. Mfg'd by E. Lawrence & Co., Chicago, Ill.

Sold in Salem and recommended as the world's best corn remedy by J. C. Perry, D. J. Fry, Wm. Neimeyer and Capital Drug Store.

The state board of dental examiners reported that 72 persons were licensed during the year ending March 31, 1919, to practice dentistry in Oregon, and that licenses of Dr. A. C. Froom of Bend, Dr. Erick Starke of Aurora and Dr. E. N. North of Portland were revoked.

Plans for Lausanne hall, the Willamette university women's dormitory, were approved.

# SURETY COMPANY SUES TO RECOVER ON BONDS

The Aetna Casualty & Surety company has brought suit against the firm of Hall & Soleim, the First National Bank of Eugene and the state highway commission.

In the complaint it is alleged that Hall & Soleim contracted with the state highway commission for the construction of a road between Comstock and Leona for the sum of \$28,972.50. That the casualty company went on the firm's bond and that the firm defaulted Aug. 22, 1918.

The state highway commission demanded of the plaintiff that fulfillment of the contract, which was completed with an expense of \$2354.12, it be alleged. It is also claimed that the highway commission has on deposit \$1700 return from Hall & Soleim as a percentage on the contract.

It is also alleged that the First National bank of Eugene financed Hall & Soleim and that on August 1, 1918, it confiscated a warrant for \$2700, the property of Hall & Soleim, and that as the firm did not have the use of this money, it failed to fill the contract and defaulted.

The casualty company asks the court for a decree awarding it the \$1700 now held by the state highway commission, a judgment for \$2354.12 against Hall & Soleim and a deficiency judgment against the First National bank of Eugene.

# An Easy Way To Reduce Flesh

Drink Hot Water and Take Tasseco

Haven't you often wished for a medicine to reduce your flesh? Something that does not require dieting or calisthenics? Well, right here you have it in 5-grain tasseco tablets, which you may secure at Perry's Drug Store. They are pleasant to take, perfectly harmless and cause no restrictions of habit or eating, and reduce the flesh, little by little, until you are down to the number of pounds you wish to weigh. There isn't any reason why anyone should be too stout, when there's this much tried, perfectly satisfactory remedy at Perry's Drug Store. Tasseco tablets (don't forget the name) are recommended by physicians and are guaranteed to be perfectly harmless. Refuse substitutes, if you can not come to our store, we will mail tasseco to you. # Fight For Coast League Pennant Narrows Down To

San Francisco, Sept. 23.—With the Angels in the lead of a game and a half, the next to the last week's series started today in the Pacific coast league.

The outlook is favorable for the Seagrams, who meet the tail end Seattle club at the northern city, while the Tigers will have to withstand the heavy assaults of the Salt Lake Bees at Los Angeles. The Bengals and the Bees broke even in the series just finished at the Mormon city.

Oakland and San Francisco, occupying sixth and fifth places, respectively, enter their last home week in the bay district.

The Yippers will spread their noise in Portland, the latter club just having covered itself with glory by taking four of the six games with the Rainiers.

# McElroy's Jazz Band Will Furnish Music For Dances

Featuring J. Carl Lorraine and J. Sylvesto, musicians said to possess exceptional ability, McElroy's jazz orchestra of Portland will offer music for Salem's dancers every night of fair week at the Salem armory.

A delight to exponents of the terpsichorean art, Mr. Lorraine, who handles the drum and juggles traps for Mr. McElroy's musicians, is said to have created quite a sensation in Portland and other towns of the state where he has appeared.

Mr. Sylvesto, who has played before thousands in the United States, is declared to be a wonderful player of the accordion.

A large crowd of Salem residents and visitors attended the opening dance at the armory last night. Free dancing was allowed from eight to nine o'clock.

# Woman's Case Amazes Salem

A business man's wife could not sew or read without sharp pains in her eyes. For years her eyes were red and weak. Finally she tried simple witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. The result produced by a single bottle amazed everyone. We guarantee a small bottle Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE. J. C. Perry, druggist 115 South Commercial. (Adv.)

# HOP PICKING TO END THIS WEEK IN VALLEY

Hop yards owners say that the picking will end this week, and taking everything into consideration, even the few days of rain, the season has been a most satisfactory one in this part of the valley.

Although there was some reports of mold, growers say there was none whatever in this part of the valley and the reports of mold were really from a few Washington yards which suffered in this respect.

The Livelys yards will finish picking this week. Early in the season pickers were paid in cash, but the past week all payments were by check, to avoid possibility of dissatisfied outsiders to help themselves to the payroll before it had been distributed.

The yield is estimated at just an average but the hops are in fine condition due to the favorable weather since the first three or four days of rains. Although much was said about strikes, the Livelys yards were tied up only one day and as soon as the few dissatisfied ones were compelled to leave the yards, work went on as usual. The picking price per box has been through the season 60 cents, although a few days ago an offer was made of 75 cents.

Taking everything into consideration, growers say the hop picking season and the hop situation in this part of the valley has been most satisfactory.

# Japan's "Colonel House" Gives "Keep Cool" Advice

Tokio, Sept. 20.—(United Press)—"Keep cool!" That was the advice given his countrymen by Kenzo Adachi, the "Colonel House" of Viscount Kato and credited as one of Japan's shrewdest politicians, when he returned from a tour of Europe and the United States.

Outbreaks against Japan now occurring regularly in the United States, he said, were merely for political effect with the presidential election in mind. The republicans in the senate, he said, do not represent the majority of Americans and the senate foreign committee's Shantung amendment will not be accepted by the senate.

# Strikebreakers At Work On Frisco Waterfront
