BY GERTRUDE PATRICIA ROBINSON

**T**HE numerous friends of the Vernon F. Kelly family will be grieved to hear of their departure to Portland, where they will make their home. Mr. Kelly has accepted a position in the Portland post office. Their two attractive children, Miss Ethelwynne and Master Don, will be greatly missed in Salem as they both are great favorites here, where they have delighted many Salem audiences with their clever readings and child impersonations. Little Miss Ethelwynne has become famous all over the state for her talent, both as a reader of dramatic art and as a musician. The best wishes of a host of friends in this city accompany them to their new home.

Mr. and Mrs. Lee L. Gilbert have as their house guests during fair week, Mr. and Mrs. L. B. Snyder of Portland, Mr. and Mrs. Fred A. Purdin of Portland, Mrs. Dan Emerick of Hillsboro, and Adrian McCallum, vice president of the Pilling-McCallum Hardware company of Portland.

A resolution to change the name "Oregon Congress of Mothers and Parent-Teacher association" will come up at the state convention in Medford, and the movement to substitute "Oregon Parent-Teacher association" is now under way. As the state organization is composed solely of the parent-teacher circles, the idea is undoubtedly a good one, and just as effective work can be accomplished as though the organization were burdened with the cumbersome title.

Miss Elizabeth Freeman Fox, dean of women at the University of Oregon after an absence of 10 months, during which time she served with the Y. W. C. A. in France, Belgium, Holland, Switzerland, England, Scotland and Wales. While in Portland, she was the guest of Mrs. George T. Gerlinger.

Mr. and Mrs. Lee L. Gilbert have just returned from a ten day motor trip to Seattle.

Mr. and Mrs. S. P. Kimball, accompanied by the latter's sister, Mrs. Beines, of Columbus, Ohio, have just returned from Pendleton where they visited their daughter, Mrs. Kugel and took in the Roundup.

Miss W. I. Staley, who has been the guest of her daughter in California for several months, has returned home.

Mr. and Mrs. Will Bennett and small son have returned from Pendleton where they visited the Roundup.

Mrs. C. S. Weller has as her house guest during fair week, her sister, Miss E. J. Chamberlain of Portland.

Mr. and Mrs. E. C. Clancy of Tacoma have arrived in Salem and will remain as the guests of their son, C. B. Clancy during the remainder of fair week.

## WATERFRONT STRIKE WILL BE PROLONGED

San Francisco, Sept. 24.—(United Press)—With all hope of a compromise gone for the present, the strike of riggers and stevedores along the waterfront was brought to the point of danger today by the employment of 800 strikebreakers—many of them negroes. The striking employes late yesterday adopted by unanimous standing vote a resolution that slapped the San Francisco labor council at the same time that it rejected the only compromise proposition the employers are willing to make.

The labor council had tried to obtain a secret vote. The resolution accused the council of "spreading the propaganda of the employers by demanding that a secret vote be taken."

The longshoremen gathered in force along the waterfront today and the employers asked for further police protection, declaring the menacing attitude of the strikers hampered their employes.

More police were sent. It was admitted the situation was serious.

## Nelson Asked To Resign By Astoria School Board

Astoria, Or., Sept. 24.—The school board passed a resolution last night calling upon Thomas Nelson to resign, but the director declared today he will not comply.

"I was elected by the people and the people will have to kick me off," Nelson declared.

The board member will probably hold his place, because recall proceedings cannot be instituted against a member of a public body who has not served six months. Nelson hasn't held the office that long.

Nelson's resignation was demanded because he refused to discharge a man in his employ who gave up his citizenship papers rather than enter military service.

## WHEN TO GATHER ROOTS AND HERBS

For medicinal purposes, roots and herbs should be gathered when their medicinal properties are at their best. For instance, roots of annual plants should be dug just before their flowering season, and roots of biennial or perennial plants after the tops have dried. All these things are taken into consideration in gathering the roots and herbs, many tons of which are used annually in preparing that most successful of all remedies for woman's ills, Lydia E. Pinkham's Vegetable Compound.

## 'ROUND COAST LEAGUE BASES

(By United Press.)

Yesterday's winners: San Francisco, Salt Lake, Sacramento.

The Seals took the first game of the day series from the Oaks, 3 to 1. Kremer of the Commuters allowed 4 hits, while Casey Smith distributed seven to the Ferris town-plug.

The Tigers added another to their "lost" column. The Bees took the opener, 3 to 2.

Walter Mills held the Beavers to five hits and the Sacramento club won, 2 to 0.

The Angels were traveling in the direction of Seattle. They will open with the Rainiers tomorrow.

Because of the inability of hop growers to get sufficient pickers to harvest their crops it is predicted that this year's yield in the Willamette valley will fall at least 25 per cent short of that anticipated earlier in the season.

## TELEGRAPH TABLOIDS

San Francisco—Conducting his own defense in his wife's divorce suit, Attorney E. P. Tracy suddenly stopped in a ghly nettled and complained his wife was making faces at him.

Oakland, Cal.—Alfred Brown, six year old picauniny, will live, but his looks have changed. He held a fire cracker in his mouth and touched it off. Three teeth are missing.

Los Angeles—Try this on your piano. Sam Beth bought his piano from a Chicago mail order house. He laid a cigarette on one of the "ivory" keys and—well they saved the house.

## ALKALI IN SOAP BAD FOR THE HAIR

The best thing for steady use is multified coconut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoons will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rises out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get multified coconut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

There are two strengths in tea: tea-strength and tannin-strength.

Tea-strength is entirely agreeable and is good for you.

Tannin-strength is puckery and is bad for the insides.

Fine tea is mostly tea-strength—almost no tannin unless you steep it too long.

Common tea is mostly tannin-strength—not enough real tea-strength to satisfy you, and that little is smothered by tannin.

Which will you have—tannin-strength or tea-strength, common tea or Schilling Tea, the practical economical fine tea of this country?

There are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere. A Schilling & Co San Francisco
