SALEM, OREGON, FRIDAY, SEPTEMBER 26, 1919.

PRICE TWO CENTS

Ill Health Due To Strain Of Trip Given as Reason; Five **Engagements Cancelled**

Wichita, Kan., Sept. 26 .-- Ill health caused by the strain of his long speaking trip on behalf of the league of nations covenant today compelled President Wilson to cancel the remaining five speaking engagements.

The president's train will return to Washington at once, according to Secretary Tumulty, who in a formal statement said the severe strain of the trip and the past year brought on a nerv-

and the past year brought on a nervous reaction in his digestive organs.
Dr. Grayson insisted upon abandonment of the trip, Tumulty said, despite
the president's desire to continue.

The special train was to leave Wichita at 11 a. m. without the president
attempting his speech here.

Announcement of the cancellation of
the remaining dates was made before
a crowd of 15,000 which jammed the
auditorium here S. A. Amidon, national democratic committeeman from Kansas, made the announcement. sas, made the announcement

The city was crowded for the presideat's visit. Crowds massed in all streets adjoining the auditorium, hoping to eatch a glimpse of the excentive in a parade which had been plan-

ned. The parade was postponed.

Lack of exercise was said to have California, Oregon and Washington. His been partially responsible for the pres-been partially responsible for the pres-speeches, he pointed out today, will be ident's condition. He has had little the first made in coast staces in oppostaps, even those being spent largely sition to the league.
"Only one side of the story has been in riding to auditoriums.

Secretary Tunuity issued the following statement:

'The president has exerted himself to make an extended trip.

President Wilson's abandonment of the remainder of his speaking tour will in modern history. Dool said many not affect Senator Johnson's plans, he so spent himself without reserve on this trip that it has brought on a nervous reaction in his digestive organs.

be voted on. This leaves Johnson free with a great crash, carrying smaller trees with them.

This is the first fire in redwood park in modern history. Dool said many not affect Senator Johnson's plans, he of the redwoods had been hollowed by previous fires—400 to 500 years ago—this trip that it has brought on a nervous reaction in his digestive organs.

Tabasen Johnson. therefore, insists up on the cancellation of his remaining appointments and his immediate return to Washington, notwithstanding the president's earnest desire to complete his engagements."

It was announced Wilson had suffered headaches for several days past, although he had not complained of them except to his immediate associates on

the journey.

The president has made forty speeches during the tour since leaving Washing. transfer of passengers over the tunnel ton, September 3, and has spent all but a half dozen nights on the train.

The president's train will return to Washington vin St. Louis and Kansas City, arriving there at 8 a. m. Sunday, Wilson was still up and about his pri-
