

### SALEM REQUESTED TO SELECT JUDGES FOR BIG AIR DERBY

If Salem only had a real aviation field, there would be a chance to come in on the great aviation events of this fall and next year. Several events are being arranged, such as flights around the world and Salem will be left out, but unless there is an official landing in the city. The aviation field used before the state fair, managed by the state fair board, was plowed up fair week and turned over to tractor shows and at present is not in condition for the landing of airplanes.

That airplane matters are developing and that Salem will be passed by in the great events of this fall and next year, unless the fair grounds board provide for a permanent aviation field, may be seen in the following telegram received this morning at the Commercial club:

"The commission appointed by the Aero Club of America and the Aerial League of America, under conditions noted in article sent you under separate cover to organize an aerial derby around the world, request you to appoint a board of referees consisting of three prominent men in your organization, sending us their names and addresses, who will act in cooperation with the contest committee, checking arrivals and departures of aviators, should your city be on the route.

"Also checking the arrival of any aviators who may desire to make a flight to or from your city. Such action will aid much in emergency flying and from your city, and do much for the advancement of aviation.

"Prompt action and an early reply is urged as the committee desires to perfect as rapidly as possible a series of aeronautical events of local and extended magnitude for the year 1920."

The matter will be referred to Governor Olcott and an effort will be made at once to determine whether Salem is to be on or off the map for the great airplane events of this fall and next year.

### CHICAGO STEEL WORK REPORTED RESUMING

Chicago, Oct. 1.—Steel mills in the Chicago district were reported working at 50 per cent capacity and steadily increasing today.

At Waukegan, where clashes between strikers and workers have been frequent, quiet was reported. When the request of city officials for state troops was refused, 300 local business men organized a militia company.

Mills at Joliet were making steel today for the first time since the strike started.

### LOYD GEORGE NOT TO TALK WITH STRIKERS

London, Oct. 1.—After conferring with labor representatives from the transport workers conference for three and a half hours, Premier Lloyd George announced today that he had refused to reopen negotiations with the railway leaders unless the men resumed work.

The labor deputation returned to Carlton Hall to submit their report before the conference. A communiqué from Downing street today urged strict food economy in view of the possibility that the strike would continue for some time. The railway service continues to improve, the report stated. Eight hundred trains were operated yesterday and many of the railway men are returning to work according to the government. It is stated that the ministry of food cleared 1000 tons of food at London by train, exclusive of that handled by motor trucks.

The power supplying the whole system of the Northern Electric tram lines was shut off at 10 o'clock this morning. The reason is not known.

#### METAL TRADES

Washington, Oct. 1.—If shipyard workers meeting in New York late to-

day decide to strike they will receive the support of the international officials. Secretary Berrie of the metal trades department of the American Federation of Labor said. Berrie declared that the men have been trying to gain their demands thru negotiation. Berrie today also received word that all Seattle shipyard workers will receive an increase of eight cents an hour effective today.

### IRONWORKERS RAISE REGARDED UNCERTAIN

San Francisco, Cal., Oct. 1.—(United Press.)—Only a few small shops in the San Francisco district have agreed to grant the eight cent increase to iron workers. None of the large shipyards have granted the increase according to announcement late today by Secretary Miles of the Iron Trades Council. "I think reports that the employers plan to grant the men's demands are too optimistic," he said.

### WAS FORCED TO GIVE UP WORK

Stuffered Five Years—Gains Thirty Pounds by Taking Tanlac  
"I'll tell the world that this Tanlac comes nearer doing all that is claimed for than any medicine I ever saw in my life," said Otto Zang, a well known carpenter and builder who lives at 1535 Piccasar Ave., Los Angeles, Cal., the other day.

"I have tried a good many different medicines during the past five years," continued Mr. Zang, "but Tanlac is the only one that has measured up to its recommendation, and is the only thing that has done me any good at all. I suffered from stomach trouble, and every time I ate anything I would be all bloated up with gas for hours afterwards. I was so nervous that I never got a good night's sleep, and just kept getting worse until I was forced to give up my work altogether. In fact, I was in such a bad fix that I was not able to get about very much. Every time I saw a medicine advertised as being good for my kind of trouble, I would get it and try it, but I didn't get any benefits from any of it. Well, when Tanlac came along I thought I might as well give that a trial, too, so I bought a bottle and

announced taking it. I really laughed when I first heard about Tanlac, for I thought it would be like all the rest but I want to tell you that Tanlac fooled me, for it just simply knocked my troubles right out, and I am as well and hearty now as I ever was. Why, I have actually gained thirty pounds and when I go to bed now I sleep until time to get up in the morning. Yes, sir, you will have to go a long ways to find a medicine as good as Tanlac, and as long as I live I will

**TRUE!**  
—every word of it

"I know it, because I have tried it! If you are suffering—as I did—with a skin-trouble that itches and burns like mad, and is so unsightly that you dread to be seen; if you are trying—as I did—treatment after treatment without real help, then you can imagine how I felt when Resinol gave me instant relief and soon healed the eruption completely. My doctor prescribed it."

"Why don't you try Resinol?"

Every drugist sells Resinol Ointment and Resinol Soap. Samples free. Write to Dept. 42-R, Resinol, Baltimore, Md. Remember! Get Resinol for that skin trouble.

# Are You, Too, Paying the Price?

**WE** all seek life's comforts and pleasures, but many of us pay too high a price for them. Continued over-working, over-eating and over-drinking; late hours and loss of sleep, gradually roll up an account that brings sickness and enforced rest. Weak kidneys is the common penalty. Daily backache, dizzy spells, headaches, rheumatic pains and kidney irregularities are warnings of kidney weakness. Don't wait! Neglect may lead to gravel, dropsy or Bright's disease. For quick relief avoid over-eating, over-drinking, over-working and other excesses, and help the weakened kidneys with *Doan's Kidney Pills*. Doan's have brought new health and happiness to thousands of sufferers. Many of them live right here in Salem. Ask your neighbor!

## These are Salem People:

**State Street**  
P. W. Brown, retired farmer, 1499 State street, says: "Hard work weakened my kidneys and I often felt the effect in lameness and soreness across the small of my back. Finally my attention was called to Doan's Kidney Pills and I got some. The backache and soreness entirely left me."  
Over ten years after Mr. Brown said: "I am ready to confirm any time what I say in my former statement, regarding my experience with Doan's Kidney Pills. I still consider them a medicine of merit and they always do good work when I take them."

**Belmont Street**  
Mrs. M. B. Churchill, 705 Belmont Street, says: "Some years ago I was down in bed for a week on account of my back. I couldn't get up or down without assistance and my back felt weak and lame. I was sick all over. Hearing so many recommendations Doan's Kidney Pills, I sent for a box and had taken only a few doses when I felt better. Two boxes stopped the trouble and in every way I felt like a different person."

**S. Thirteenth Street.**  
Mrs. L. M. Drager, 909 South Thirteenth street, says: "I can conscientiously say Doan's Kidney Pills are a reliable medicine for kidney disorders. I have taken them at different times when I have had a dull, tired feeling across my kidneys and when my kidneys haven't been acting regularly. Doan's have never failed to give me quick relief. It is only once in a great while now that I have to use a kidney medicine."

NO package of Doan's Kidney Pills is genuine unless it bears the maple-leaf trade mark and the signature —"James Doane."

**High Street**  
Joseph Wint, retired blacksmith, 658 High street, says: "My back and kidneys bothered me. My kidneys were disordered and my back was weak. Doan's Kidney Pills soon put me right."  
Over three years after Mr. Wint said: "My opinion of Doan's Kidney Pills is just the same today as it was when I gave my first endorsement. I haven't had any kidney trouble now for several years and I give them the credit for bringing such lasting results."

**Lee Street**  
J. H. Penton, 1405 Lee Street, says: "On several occasions a cold settled in my back across my kidneys causing pain and extended into my loins. I knew that my kidneys were to blame and started using Doan's Kidney Pills. I found them just the thing to rid me of the pain and disorders."  
Over four years after, Mr. Penton said "I have never found a more reliable medicine for backache and kidney disorders than Doan's Kidney Pills. Whenever my kidneys got out of order Doan's soon put them right."
