STAYTON WOMAN IS DEAD FROM ILLNESS BROUGHT ON BY FLU

Stayton, Oct. 3.—Susan Follis Trask, wife of Gus B. Trask, died at the home of her mother, Mrs. Mary J. Follis, here Sunday night. Nearly nine months ago she was taken with influenza which developed into pneumonia and she has been fighting for her life since that time. Several operations for the removal of pus from the lungs were resorted to, and all that medical skill and good nursing could do was done, but nothing seemed to benefit her. She was about 45 years of age, and besides her husband and mother, leaves a daughter about ten years old, and two brothers, T. J. and W. F. Follis. The funeral service was held in the Baptist church Tuesday afternoon, conducted by Rev. Boice, and there was a large attendance and many beautiful flowers. Interment was in Lone Oak cemetery.

E. C. Small and family have moved here from Silverton and occupy the Roy property lately vacated by J. W. Mayo. Mr. Small says that Silverton is decidedly short of places to live. Mr. and Mrs. Al Fried of Sublimity, are the parents of a new daughter, John Halfman and family, lately residents of the middle west, have arrived in Stayton and expect to locate here. Mrs. A. Chance, of North Santiam has moved to town, occupying the Silbhay house.

J. H. Miesler and W. H. Hobson are the Stayton representatives at Salem on the jury.

Several Stayton residents didn't get up as early as they should on Wednesday, thinking that was the day on which the clocks were to be turned back.

Workmen are busy putting in a new wooden bridge across the ditch on Third street. A concrete structure was talked of, but the prices given members of the city council decided them in favor of wood.

An epidemic of bad colds is sweeping the town, and many believe it a light form of the "flu." Mr. and Mrs. F. M. Munkers are both on the list of sick.

Bitro-Phosphate Is Good For Thin Nervous People A Physician's Advice Frederick S. Kelle, M. D., editor of New York Physician's "Who's Who" says that weak, nervous people who want increased weight, strength and nerve force, should take a 5-grain tablet of Bitro-Phosphate just before or

during each meal. This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals. If you do not feel well; if you tire easily; do not sleep well, or are too thin; go to any good druggist and get enough Bitro-Phosphate for a two weeks' supply—it costs only fifty cents a week. Eat less; chew your food thoroughly, and if at the end of a few weeks you do not feel stronger and better than you have for months; if your nerves are not steadier; if you do not sleep better and have more vim, endurance and vitality, your money will be returned, and the Bitro-Phosphate will cost you nothing. with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. (Adv.)
