

WATER PERMITS

Permission to appropriate 4000-acre feet of water from Ten Mile creek to be stored for irrigation purposes, is asked by Mrs. S. O. Troutwine of McDermitt, Nevada, in an application received by State Engineer Copper, Monday. The development is to cost approximately \$80,000.

Other applications filed Monday were as follows:

F. M. Wood of Paulina, for the storage of 1800-acre feet of water from Paulina creek for irrigation purposes.

John Obbleigh, John Clarke, J. B. Hanning, Ben Brophy, William Woodworth and A. J. Hingebotom of Eagle Point for the appropriation of water from Big Butte creek for irrigation purposes.

H. G. Haney and Oscar Nelson of Baker for the appropriation of water from Powder river for irrigation purposes.

WILLAMETTE GRAD TO DO MISSIONARY WORK

Miss Aetna Emmel, who is to sail for Hongkong from Vancouver, B. C., on the Empress Asia October 31, was a campus visitor Monday. At the recent Methodist conference held in this city, Miss Emmel was given an appointment in educational missionary work in southern India. Although full particulars of her mission's task are not known at this time, it is understood that she will teach in a girls' school.

While in the city she is the guest of her brother-in-law and sister, Dr. and Mrs. Fred H. Thompson. She will leave Wednesday for Portland.

Miss Emmel was graduated from Willamette with the class of 1917. Since leaving college, she has taught at Benton, Wash., Malwankie, Oregon, and Oak Park, Illinois. While a student at the university, Miss Emmel was active in all student affairs, especially in the work of the Christian organization.

Commercial Club To Hold Regular Session Wednesday

The regular monthly membership meeting of the Commercial club will be held Wednesday evening at the club members. Plans for entertainment of the club members are complete. Considered high in the list of entertainment features is the singing of Miss Ruth Johns, daughter of Judge Charles A. Johns.

Following the business of the evening and the entertainment a buffet lunch will be served to members in the game parlor of the club. All members of the Commercial club are requested to be on hand.

STUDENTS STUDY DEHYDRATION

Both sections of the cooking class of the university, in charge of Miss Lida Pike, instructor, visited the Salem King's Products plant Monday to observe methods of food preservation by the dehydration process. The classes have been studying the preservation of foods for the past week.

Eighty six persons were arrested for misdemeanors in Pendleton during September and were fined \$1282.

FOSTER PLAYERS HERE TODAY

Returning for their regular Tuesday-Wednesday and Thursday night appearances at the Bligh theater, the Harvard Foster Players will present the great political drama, "The Final Settlement," for three performances beginning October 7.

"The Final Settlement" is one of the great political comedy dramas of modern times. It is the story of how an obscure telephone girl meets and wrestles, figuratively speaking, with the boss of the most powerful political machine ever formed. She is the greatest stumbling block the machine has encountered, and their efforts to get her out of the way and her determination to hold out for the right, forms the story with one of the most surprising climaxes ever put into a play.

The Foster Players have made a great many friends here already by their excellent performances of "The Third Degree" and "The Bottle Baby," and the fact that they will appear here each week in an entirely new play is very gratifying to those who have seen them.

BUFFALO STRIKERS RIOT

Buffalo, N. Y., Oct. 7.—Two men were shot, several were beaten and over a hundred revolver shots were fired near the Lackawanna Steel plant this morning when a mob attacked a Buffalo and Lake Erie traction car en route to the steel plant with working employees.

States Would Co-Operate In Hunting Auto Thieves

The abatement of the automobile theft evil has been undertaken by a special committee appointed by the secretary of state of America in session at Washington last week, according to a letter received by Sam C. Kozler, deputy secretary of state for Oregon.

Harvey C. Smith, secretary of state for Ohio, who heads the committee requests copies of laws now in effect in Oregon touching on automobile thefts and suggestions as to what should be included in a uniform bill in order that each state would co-operate with the other states in detecting stolen cars and in running down and bring to justice the thieves and unscrupulous dealers in such cars.

Overhead Crossing Ordered Built In Jackson County

The state highway department is authorized, in an order issued by the public service commission, Monday, to construct an overhead crossing on the Pacific highway over the tracks of the Oregon & California Railroad company at or near Tolo, Jackson county. Forty per cent of the cost of the crossing is to be paid by the highway department, 40 per cent by the railroad and 20 per cent by Jackson county.

Otto Kubin Resigns Job In State Secretary's Office

Otto Kubin has resigned his position in the accounting department of the secretary of state's office to accept a position with the Portland Flouring Mills at Albany. Kubin served for two years with the American troops in France, resigning his position with the secretary of state's office to enlist in the army in April, 1917, and resuming his position again upon his return from France July 1.

Irrigation Company Asks Increase Of \$25 Per Acre

An increase from \$71 to \$100 per acre is asked by the Jordan Valley Land & Water company for the development of the Jordan valley irrigation district, a Carey act project in Malheur county.

The application for the increase in the development fee was presented at a meeting of the desert land board, Monday, by A. J. Vance of Oklahoma City, attorney for the company; Arlie J. Hooker of Boise, Idaho, in charge of colonization work on the project, and John W. Cunningham, engineer-manager of the project.

The proposed increase would apply only to acreage at present unsold. Final action on the application has been postponed pending the filing of additional data by the officials of the project.

Let Russians Look After Selves, States Ironsides

London, Oct. 7.—The Russians can look after themselves now, General Ironsides declared today, having just returned from Archangel with the last contingent of British troops. Asked about Russia, General Ironsides said: "I think a damn sight too much has been said already. We have finished our job and I think the Russians can now look after themselves."

Eighty tone of blackberries were put up by the Cottage Grove cannery this season.

INCORPORATIONS.

Hopner lodge, No. 358, B. P. O. E., filed articles of incorporation with Corporation Commissioner Schulderman Monday. The lodge is capitalized at \$11,000. S. W. Spencer, W. R. Irwin and W. B. Prunyo are named as trustees.

Declaration of purpose to transact business in Oregon has been filed by the Northwestern Tire corporation, organized under the laws of New York. Jack Rosenroft is named as the Oregon representative with offices at 444 Stark street.

The McNeff Tire and Automobile company of Portland filed resolutions of dissolution.

Foch Instructed To Make Hun Army Evacuate Baltic

Paris, Oct. 7.—(United Press).—The supreme council of the peace conference today instructed Marshal Foch to draw up an ultimatum for presentation to Germany demanding the evacuation of German troops in the Baltic province.

The Germans' reply to the allied demand that Field Marshal Von Der Goltz' troops be withdrawn did not satisfy the supreme council.

Bitro-Phosphate Is Good For Thin Nervous People

A Physician's Advice

Frederick S. Kelle, M. D., editor of New York Physician's "Who's Who" says that weak, nervous people who want increased weight, strength and nerve force, should take a 5 grain tablet of Bitro-Phosphate just before or during each meal.

This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals.

If you do not feel well; if you tire easily; do not sleep well, or are too thin; go to any good druggist and get enough Bitro-Phosphate for a two weeks' supply—it costs only fifty cents a week.

Eat less; chew your food thoroughly, and if at the end of a few weeks you do not feel stronger and better than you have for months; if your nerves are not steadier; if you do not sleep better and have more vim, endurance and vitality, your money will be returned, and the Bitro-Phosphate will cost you nothing. (Adv)

Not A Blemish mars the perfect appearance of her complexion. Permanent and temporary skin troubles are effectively concealed. Reduces unnatural color and corrects greasy skins. Highly antiseptic, used with beneficial results as a curative agent for 70 years.

No Need To Be Thin, Scrawny Or Sallow

If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of; if the skin is sallow or subject to pimples or blackheads, take Mi-o-na stomach tablets for two weeks and notice the change.

The majority of the thin people are thin because the stomach does not perform its duties properly. It is not secreting sufficient of the natural digestive juices and in consequence does not extract from the food enough nutritive matter to nourish every part of the body.

Mi-o-na stomach tablets are intended to build up the stomach so that it will act properly and extract from the food the elements necessary to form flesh.

If you are thin try two weeks' treatment of Mi-o-na stomach tablets—they are small, easily swallowed and are sold on the guarantee of money back if they do not overcome chronic indigestion, acute or chronic, stop stomach disturbance, belching, heartburn, sour stomach, and any after dinner distress.

For sale by Daniel J. Fry and all leading druggists. (Adv)

Grape-Nuts

is ideal for the cereal part of any meal.

Greatly relished by children—and good for them.

"There's a Reason"

Value First and Last

Value first is alright—but the value of an article, is measured by the service and satisfaction it should give to the purchaser. That means real values.

"Every Family In Marion and Polk Counties a Patron"

Salem Woolen Mills Store

The enrollment of 2000 students, 600 of them being freshmen, is predicted by the registrar's office of the University of Oregon.

The Dufur Orchard company is in need of 200 apple pickers. Wages paid are \$4 per day for men and \$3 for women.

Forty five thousand gallons of vinegar will be manufactured by the Eugene Fruitgrowers' association this year.

Not Young Grecian Dancers; Just Girls Finding Good Health

Tuberculosis infects 70 per cent. of children under 16 years old. The best way to fight the disease is with open air and sunshine, and in this shady nook, near New York, these happy young girls listen to stories and play games, but they live freely in the open so that every possible benefit from the warm sun and the fresh air can be had. It is to do such things for children, to cut down the death rate of 12,000 a year, that the National Tuberculosis Association and 1,000 local and state organizations are planning to sell Red Cross Christmas seals, so that a bigger and more extensive campaign to stamp out tuberculosis may be carried on next year. Each seal sold is an insurance policy on the health of a child.
