

COUNTY PAYING IS CALLED OFF UNTIL NEXT YEAR

County paving was stopped in Marion county Tuesday for the season. After tools and road materials have been assembled no more work will be done on highways in the county for the winter.

Roadmaster Culver, with County Judge Beahy and County Commissioner Hunt left Salem Tuesday afternoon to make a survey of plans near Dallas and Independence. They are gathering ideas, and forming plans for the installation of three more paving plants in this county next spring.

ATHLETICS FOR ALL WILLAMETTE'S IDEA

The program of physical education for Willamette as worked out by Coach Mathews is meeting with satisfaction among the students and faculty. It not only meets the university's requirements of two hours a week throughout the year for all freshmen and sophomores, both boys and girls but it also gives the student a range of choice as to the form of his physical exercises.

The coaches' schedule stands as follows: Sophomore girls' gym classes, Monday and Wednesday afternoons. Freshmen girls' gym classes, Tuesday and Thursday afternoon. Boys' gym class, Wednesday and Friday afternoons.

Straw Ballot On League Of Nations To Be Taken

What's your idea of the league of nations? Should it be adopted as it is, or should it be rejected? Better come down to the Ladd and Bush bank Saturday and vote on it. A ballot will be installed there and persons will be given an opportunity to express their opinion of the much discussed document free of charge.

Men Charged With Theft Of Seed Are Bound Over

Elvis Pulley 22 who was arrested with Norman Owens, on a charge of stealing clover seed from the J. D. Smith farm, on the Pacific highway, near Hubbard, several days ago, was bound over to the grand jury under bond of \$500, following a hearing Tuesday before Justice of the Peace Unruh. Owen waived examination and was released under bond of \$750 to appear before the grand jury.

Two Bungalows Purchased For Homes By Salem Folk

With a view of making this his permanent home, Merlin Harding, of the Salem Hardware company, has bought the bungalow at 1972 Belmont street, formerly owned by Col. Carl Larson. Attracted here by the promise of a splendid future for Salem, Edward N. Warrath, one of the proprietors of Monty's Tire Shop, South Commercial street, has bought the bungalow in the Oaks addition, which was owned by Mrs. T. E. Abrams, and will make this his permanent home. Mr. Warrath recently came to Salem from Italy.

Willamette Graduate Now Teaching In City Schools

Miss Rosamond Gilbert, member of the graduating class at Willamette in 1917, is filling a temporary appointment as teacher in Lincoln junior high. Miss Gilbert is teaching English, Latin and science, and will continue her work until Supt. John Todd has secured a permanent teacher for the place. She is the daughter of Mrs. Philip Gilbert of this city.

One hundred students are enrolled in the high school at St. Helens.

DENTON TO ADDRESS BOY SCOUTS TONIGHT

At a meeting of the various troops of Boy Scouts of Salem to be held at the Lealie M. E. church this evening at 7:30 o'clock, the Boy Scouts of the city will demonstrate, through various activities, the nature of work and training manifested through scouting. The meeting will be presided over by the membership of the local council, with Charles A. Knowland, vice-president, as chairman.

SALEM PEOPLE GIVE \$1000 TO HALL FUND

Dr. Doney has announced the gift of another thousand dollars to the Lausanne hall fund, this sum being the subscription of Mr. and Mrs. B. E. Carrier of this city. The president of the university could not state definitely what mark the hall fund had reached, but asserted that the building committee had already begun to ask for bids on the new dormitory. President Doney further announced that he had secured two five thousand dollar subscriptions which would be paid as soon as the building fund reached the fifty thousand dollar mark.

Commercial Street Issued Permit For Apartment On

The city issued building permits Monday to A. L. Lemmen, to erect a two-story brick annex to the Marion apartments, 610 North Commercial street. Construction of this addition to the apartment house will begin at once. A permit was issued to C. H. Garver, 1540 North Front street to erect a one-story frame building, to cost about \$300.

Washington Girl Elected Lead 'U' Freshmen Class

In order to increase its chance of winning the freshmen-sophomore bag-rush to be held Thursday of this week, the freshmen class elected officers for this semester at a meeting held Tuesday noon. The following people were honored:

President, Vern Ferguson, Bremerton, Wash.; vice-president Marjorie Flegel, Portland; secretary Esther Paragonian, Salem; treasurer, Orlo Gillet sergeant at arms, Harland D. Allington; athletic manager, Walter Sosloffsky, Salem; song leader, Constance MacLean, Portland; class reporter, Miss Dea Hatton, Spokane, Wash.

Construction Of Filling Station Commenced Today

With the cutting of the old elm trees in the yard of the old Salem hotel, State and High streets, Wednesday morning, first work on the construction of a Standard Oil filling station on that corner was begun. The filling station will probably be installed and ready for use in about three weeks.

T. G. Bight, owner of the corner, recently leased it to the Standard Oil company. Work of razing the old hotel building is expected to start soon.

PICKFORD'S SPEED WAGON IN NEW FILM

One of the finest and most expensive sporting automobiles in America plays a unique part in Jack Pickford's latest will be seen commencing Sunday at the Liberty theater.

This car, which is a trim roadster with white enameled exhaust pipes running from the engine hood nearly to the rear seat, is the personal property of Jack Pickford and was made according to plans drawn by himself and a number of ride track authorities.

Car Service Normal Again With Engine Repairs Done

Streetcar service in Salem was normal Wednesday after the repair of the auxiliary engine in the power plant of the P. R. L. & P. company here. The usual schedules were followed, and all cars were placed in operation early this morning.

The new generator for the plant here, which will replace the one recently burned out, will be unloaded from cars at the Southern Pacific yards today. With its installation in the plant future trouble with the power will be practically eliminated.

7500 HEAR JOHNSON Portland, Or., Oct. 8.—Senator Hiram Johnson of California delivered his attack against the league of nations here last night to a crowd of 7500. Two thousand persons were unable to gain admission to the auditorium, in which the senator spoke. Johnson left after the meeting for Tacoma, where he will speak tonight.

KIMBALL COLLEGE TO REOPEN ON THURSDAY

Kimball College of Theology, which is run in connection with Willamette university, will open its classes Thursday morning of this week. Tuesday and Wednesday have been given over to registration. According to President H. J. Talbot prospects are most favorable for the theological school this term. Twenty-six students registered the first day which is considerably in excess of the enrollments of previous years.

Among the students are three women and three ex-service men. Leslie Bailey, one of the three, was a Kimball student before he enlisted in the "Regs" in the early part of 1917. He will complete both his liberal arts and his theological work. David C. Hassel, the second ex-soldier, was also a Kimball student before the war and went out with company M of this city, having served 14 months in France. He was one of company M's cooks throughout its expeditionary experience. P. M. Blenkinsop, the third veteran, comes to Kimball from the Canadian expeditionary force.

The faculty this term will be the same as last year: President H. J. Talbot, professor of systematic and practical theology; Dr. Edwin Sherwood, professor of biblical interpretation; and Dr. Everett S. Hammon, professor of historical theology.

DO YOU READ OUR ADS?

There are many reasons why we advertise. Some people think that advertising expense is added to the merchandise and makes goods cost more.—As a matter of fact advertising reduces the cost of merchandise by increasing the volume of business. We advertise because we have valuable information to give the public. Because we want you to know how to make a dollar count for the most. Because we want to make you better acquainted with our store and our methods of doing business. We advertise so that you will have an opportunity to compare our goods and our prices with all others. Because we have faith in our goods. We advertise because we have only one aim and desire in being in business—the true secret of success—satisfied customers.

Our Prices Always the Lowest

Collision Between Car and Train To Be Investigated

The collision between a car of the Salem street railway system and a Southern Pacific locomotive in which T. F. Billingsley, superintendent of the street railway, was seriously injured early Monday morning, is being made the subject for a rigid investigation by the public service commission. A move is already on foot here to require the Southern Pacific to maintain safety devices at the most frequently used crossings within the city limits in order to prevent a repetition of this accident.
