To Relieve Catarrh, Catarrhal Deafness And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmit (double strength). Take this home and add to it 1/2 pint of hot water and a little granulated sugar; stir until dissolved. Take one teaspoonful four times a day.

Parmit is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are nearly a ways quick and effective.

Every person who has catarrh in any form, or distressing rumbling, hissing sounds in their ears, should give this recipe a trial. (Adv)

pleasant shooting.

Bitro-Phosphate Is Good For Thin Nervous People

A Physician's Advice

Frederick S. Kelle, M. D., editor of New York Physician's "Who's Who" says that weak, nervous people who want increased weight, strength and nerve force, should take a 5-grain tablet of Bitro-Phosphate just before or during each meal.

This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals.

If you do not feel well; if you tire easily; do not sleep well, or are too thin; go to any good druggist and get enough Bitro-Phosphate for a two weeks' supply—it costs only fifty cents a week.

Eat less; chew your food thoroughly, and if at the end of a few weeks you do not feel stronger and better than you have for months; if your nerves are not steadier; if you do not sleep better and have more vim, endurance and vitality, your money will be returned, and the Bitro-Phosphate will cost you nothing. HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually at 10c and 25c. Take one or two nightly and note the pleasing results.

Loves Her Cows And Chickens Again

"I have had stomach trouble for years and for the past year have eaten nothing but stale bread and drank water. Was too weak to do any kind of work. Six weeks ago I took the first dose of Mayr's Wonderful Remedy and am now doing all my housework besides looking after my chickens and milking 2 cows every day. Mine has been wonderful recovery." It is a simple harmless preparation that removes catarrhal mucus from the intestine and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or none at all. J. C. Parry and all druggists.
