Forty winters and forty summers have rolled away since persons who are living and well today first took the prescription for "Number 40 for the Blood." "Number 40" is compounded from ingredients that are so down in the U. S. dispensary and other authoritative medical books as follows: Employed in diseases of the glandular system, in blood poisoning, mercurial and lead poisoning, scrofula, rheumatism, catarrh, constipation, liver and stomach diseases. Under its use, sores, ulcers, nodes, tumors and scrofulous swellings that have withstood all other treatment disappear as if by magic.

**A TRIAL WILL CONVINCE YOU.**  
NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.
