## Varsity and Grads Tie; Francis Kicks 45 Yards for Goal

With a score of 3 to 0 in their favor, 3 minutes of play to go, and with 40 yards between their backs and the goal the Willamette Bearcats were forced to compromise in their first game of the season Saturday and give their alumni brethren 3 points, when "Pruney" Francis, who started starting for Willamette 8 years ago and who has been starting for "W. U." and Multnomah Athletic club ever since, booted the pigskin square over dead center of the goal standard in a 45 yard place kick.

Both teams used but a few plays, resorting to line bucks and short end runs, and occasional passes. The varsity eleven used end runs to good advantage, but gained little yardage through the line. While the alumni made some good gains around the ends, their most consistent advancing was made thru the line. Both sides tied a half dozen passes during the entire game, but never completed one.

The game was void of the spectacular, but not of the interesting. For the contest was boiling from the first to the last foot of the whistle. A number of the spectators took particular delight in rooting for the old stars. "That's a boy," "Hippo," "Bust 'em up," "Pruney," "baby boy, Jack," were common phrases on the lips of Salem fans.

The first quarter, the period in which the bearcats made their only score, was the varsity's round. Matthews' men were in possession of the ball most of the time. The varsity's score came soon after the grad lost the ball on the fourth down on their own 21-yard line. Quarterback "Toughie" Irvine drew 11 yards around left end on the first down. On the second down with 10 to go Wapato grabbed three yards, placing the ball on the grad's 32-yard line. From this position Captain Dimick executed a place kick, giving the varsity 3 points, their only score of the game.

Late in the final quarter, the old stars received a five yard penalty and brought the ball up to the 30-yard line in three downs. Francis attempted a place kick but failed. After exchanging punts and possession of the ball twice, the third minute before the game was over found the ball in the alumni's possession on the varsity's 10-yard line. From this position "Pruney" executed the unexpected and tied the score.

The lineup were: Bearcats—Irvine q. Raley rb. Dimick lb. Zeller f. Wapato re. Vinton lc. Brown and Ramsey rt. Miles lt. Hanson rg. Lawson lg. Basler c. Alumni—Hendricks q. Grosvenor rb. Small lb. Francis f. Reinhart re. Harbitt lc. McCallan rt. Watson rg. Taylor and Williams lg. Clark c. Ramsey replaced Brown in the last of the third. Wapato replaced Watson in the middle of the first quarter. Watson took Francis' place during the 4th quarter, and Williams held Taylor's position the third quarter.

Referee, Don Randall; umpire, Leonard Austin; linesmen, McKittick, Curtis, Gill.

## Basket Ball Five in Hard Daily Workouts

When the basket ball season rolls around, it will find Coach Matthews' teamers in good condition, for the men have already begun daily practice and will continue their workout until the close of the season. Some of the men who will represent Willamette in the hoop game this year are unable to participate in these early practices because of football, but they, too, will be in the best of condition when Coach Matthews signals change game.

Among the men now hardening up are Bryan McKittick, "W" man of last season and crack forward; Rein E. Jackson, speedy forward of the 1916 quintet who just recently returned from overseas; Raymond Dimick and Clarence Gillette who played with the first team several times last season, but not enough to win letters, and a number of new and untested men.

Among the men eliminated from the workout because of football are Paul Wapato, star forward of the varsity quintet of 1917 and 1918, and Russell Raley and Harold Dimick, steady guards of last year's five.

## Victims Of Suicide Pact Taken From Lake Bottom

Denver, Colo., Oct. 12.—The bodies of two women, thought to be Mrs. Troy McKelvey and a Mrs. Holly, a sister, were taken from Berkeley lake here this afternoon.

Police said it looked like a double suicide pact. Both were garbed in black.

Miss Anna Emmel of Woodburn, 1917 graduate of Willamette university, is preparing for a trip to India, where she will take the field as a missionary.

## Practice Teams Throw Fear Into College Elevens

By Henry L. Farrell

(United Press Staff Correspondent.)

New York, Oct. 13.—Sweet words will hardly figure in the talk that several eastern coaches will hand out this week to their charges.

As a result of hair-raising escapes Saturday against opposition that the students bodies had been figuring as practice material, Cornell and Princeton need an injection of "new stuff" in preparation to meeting Larry Bankart's Colgate eleven. Cornell's cadets at West Point, by their loss to Syracuse, have also given their pilot "things to worry about," when he thinks of the navy game, the only thing that counts on the army calendar.

The chesty crowing of Lafayette which considered its status of holding Princeton to a 9 to 6 score as a victory, isn't the only thing sticking in the craw of the Tiger students. Their star center, Murray Seacuman, went out of the game for the season with a broken leg.

Injuries to Captain Even, Graves and Seacuman, which may keep them out of the game for several weeks would be causing uneasiness at Annapolis if the midships were facing a stiff opposition, but they have almost a paved road to the army game.

Yale and Harvard had such an easy time with North Carolina and Colby that Coaches Sharpe and Bob Fisher gave nearly all of their bench warmers a workout in the last half.

## Vernon and St. Paul Rest Until Tuesday

Los Angeles, Cal., Oct. 13.—With the series standing 3 to 2 in Vernon's favor, the St. Paul and Vernon clubs rested today and will resume their battle for the minor league championship tomorrow afternoon.

Yesterday St. Paul grabbed the game, 2 to 1. Griner, pitching for St. Paul, proved invincible. He has been St. Paul's pitcher in both of the games won by the American Association team.

Fans who saw yesterday's game were of the opinion, both teams needed the rest today for each undoubtedly was suffering from nerves. After a run-in with McDonald of St. Paul, Edgington of Vernon again had trouble with Berghman and Umpire Toman at the plate was stripped of the chest protector by the St. Paul team to emphasize a protest when some on thought he called a bad one good.

## SALEM HIGH SCORES 6 TO 2 VICTORY OVER OLD STARS SATURDAY

With only a minute and a half left to play and the score standing 2 to 0 in favor of the alumni, Left Halfback Gene Gill intercepted a pass to the alumni team's left end and ran twenty yards through a broken field for a touchdown. Salem high failed to kick goal and the score ended 6 to 2 in favor of the high school lads. Although the weather was a little warm and the field too dusty for the best of football, both teams put up a scrappy game, contesting the outcome to the last second of play. Less than 400 people saw the game, which was played on Willamette athletic field Saturday afternoon.

The game, except for the touchdown at the last minute, was free of thrills and brought out no conspicuous stunts. Both lines did excellent work.

Coach Reinhart, in discussing the team after the game, said that he was highly pleased with the demonstration his men put up in the game. Considering the fact that the boys had been using their signals less than a week and had been together less than three weeks as a fighting machine, he voiced the opinion that Salem high will have a premier gridiron team this season. The eleven is fast becoming conditioned and whipping itself into a formidable machine, he asserted.

In the beginning of the second quarter the alumni carried the ball to Salem high's 7-yard line, where Halfback Gill took the pigskin from the grads on Patchen's fumble. The younger boys made one yard on their first down, but lost 3 on the second. On the third down Gill's punt was blocked by Stenstrom, the ball rolling back to the goal line where it was recovered by the punter, thus giving the alumni two points by way of a safety.

Brazier Small refereed the game and Leland Austin umpired. School and Mardock officiated as linesmen.

The lineups were:  
Salem High. Alumni.  
Amory Gill O.B. "Runt" A.

Eugene Gill L.H. "Pug" Ross

## Lausung Says That Status Of League Is "Confusing"

Washington, Oct. 13.—The status of the league of nations is "confusing," Secretary Lansing said today. The league will become operative when the ratifications of France and Italy are deposited, with that of Britain, with the league secretariat in Paris.

So far as Lansing can interpret, the league will consist only of those nations that have ratified the treaty and other nations will be admitted only as they ratify.

## CHILD MYSTERIOUSLY DISAPPEARS; HUNT ON

Hammon, N. J., Oct. 13.—(United Press.)—Detective and posse were following two theories today in their search for George W. Danzy, two years old, who disappeared mysteriously from his home here last Wednesday.

One belief was that he had been kidnapped by a band of gypsies or a gang of bandits, this clue having been supported by the finding of men's tracks and part of a loaf of bread in an old shack in the woods near the boy's home.

The other theory was that the baby was stolen by a rejected suitor of Mrs. Stella Danzy, the child's mother. A detective left for Pittsburgh today to find this man. The Danzys moved here from Pittsburgh three months ago. The boy's father said today that when he and Mrs. Danzy were married four years ago a suitor whom she had refused, threatened revenge.

## Man Who Couldn't Help Being 'vamp' Re-Arrested In Frisco

San Francisco, Oct. 13.—George Fox, who shyly confessed he couldn't "help" being a "vamp," because they like him so well, was re-arrested today. Fox recently was convicted of embezzling \$50,000 from Mrs. A. Walter, a widow. He obtained an appeal and jumped bond of \$20,000.

Powell street lured him back, however, and detectives arrested him as he stepped off the ferry.
