Both young persons have made a host of friends in Salem by whom their departure is being greatly regretted.

Lieutenant Oscar I. Chenoweth of Dallas was a Salem visitor yesterday. Lieutenant Chenoweth has received the Croix de Guerre from the French war department and the distinguished service cross from the American. He arrived in the states on October 1, after nearly two years of foreign service.

The Ladies Central Circle of the First Methodist Episcopal church met this afternoon at 2:30 with Mrs. Durr, 320 Myers street. The circle is taking for its study this year "The Vision of Christ in the Poets" and Whittier was chosen as the poet of the day. Mrs. N. T. Hallyer conducted the lesson.

No More Catarrh.

This Simple Home Treatment has Stood the Test of Time

Every fall and winter, for more than twenty years, thousands of people have made it a daily practice to breathe the air of Hyomei and so keep themselves free from catarrh, coughs, colds, bronchitis, sore throat and influenza.

This is certain and you should try it. If you will breathe Hyomei daily, as directed, it will free you and keep you free from all these troubles or it won't cost you a cent.

Daniel J. Fry or any reliable druggist can supply you with the complete Hyomei outfit, including a hard rubber pocket inhaler. The inhaler will last a life time and extra bottles of the liquid Hyomei cost but a few cents.

A few drops of oil in the inhaler will last for days and its pure, soothing, antiseptic, healing air, breathed deep in the air passages of your nose and throat, should keep you free from coughs, colds, influenza and catarrh all winter long. Pleasant to use, takes but a few minutes daily and is guaranteed to satisfy or money back.

"Don't Cheat Yourself"
says the Good Judge

There's nothing saved by chewing ordinary tobacco. A little chew of that good rich-tasting tobaccogoes a lot farther, and its good taste lasts all the way through.

Little chew—lasting—satisfying. That's why it's a real saving to buy this class of tobacco.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.

The Story of a Turret Captain

Promotion in the Navy comes quickly to those who qualify for higher ratings. In March 1909 A. F. Nilsson enlisted in the Navy as an Apprentice Seaman, 3rd class.

In April 1907 he was rated Chief Turret Captain. His pay today is \$165.76 per month.

A man's life—among men!

Reel them off—"Rio", Gibraltar, Cayton, Yokohama—all the great ports of the world—are they only places on the map to you—or are they ports where you've gone sailing in from the high seas with every eye along the shore turned admiringly on your big ship—your ship! Every ocean has a United States ship sailing for some port worth seeing.

If you've any call in you for a full life—join, and color all your years ahead with memories of things worth seeing—with knowledge worth having—with an inexhaustible fund of sea tales and adventures picked up ashore and

afloat that will make you a welcome man in any company.

Work?—sure, and a man's work it is, among men.

Play?—well, rather, with a bunch of men who know how to play. These comrades of yours carry in their ears the sounds of great world cities, of booming guns, of swashing seas—sounds you will share with them and that will never die away.

And when you come home, you'll face life ashore with level eyes—for Uncle Sam trains in self-reliance as well as self-respect. The Navy builds straight men—no mollycoddlers.

Enlist for two years. Excellent opportunity for advancement. Four weeks holidays with pay each year. Shore leave to see inland sights at ports visited. Men always learning. Good food and best uniform outfit free. Pay begins the day you enlist. Get full information from your nearest recruiting station. If you do not know where the nearest recruiting station is, ask your Postmaster. No know.
